Total Specimens for 28 October 1962: 1

1 November 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 2 [2 - **2**] - Luluabourg: De Roo, Antoon Emeric Marcel: RMCA: 1 [1 - **1** - **3**].

Total Specimens for 1 November 1962: 3

2 November 1962

Sudan: Buram: : SMF: 7 [7]; Kock, Dieter: SMF: 5 [5 - **12**] - Kadugli: Kock, Dieter: SMF: 1 [1 - **1** - **13**].

Total Specimens for 2 November 1962: 13

3 November 1962

Madagascar: Andraina, 2 km W: Lange, K.L.: USNM: 5 [5 - **5** - **5**].

Total Specimens for 3 November 1962: 5

9 November 1962

Congo (Democratic Republic of the): Kamituga: Prigogine, Alexandre: RMCA: 1 [1 - **1** - **1**].
Madagascar: Ambalantanakomby, 25 km SW: Shaw, J.H.: USNM: 8 [8 - **8** - **8**].

Total Specimens for 9 November 1962: 9

11 November 1962

Madagascar: Ambalantanakomby, 25 km SW: Shaw, J.H.: USNM: 3 [3 - **3** - **3**].

Total Specimens for 11 November 1962: 3

13 November 1962

Congo (Democratic Republic of the): Farm 'des grands bois': Anciaux de Faveaux, Félix / Michel: RMCA: 1 [1 - **1** - **1**].
Sudan: El Lagowa: : SMF: 1 [1 - **1** - **1**].

Total Specimens for 13 November 1962: 2

15 November 1962

Congo (Democratic Republic of the): Jadotville: Anciaux de Faveaux, Félix / Michel: RMCA: 1 [1 - **1**] - Panda: Anciaux de Faveaux, Félix / Michel: RMCA: 1 [1 - **1** - **2**].

Total Specimens for 15 November 1962: 2

18 November 1962

Congo (Democratic Republic of the): Panda: Anciaux de Faveaux, Félix / Michel: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 18 November 1962: 1

22 November 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 22 November 1962: 1

24 November 1962

Congo (Democratic Republic of the): Byonga: Prigogine, Alexandre: RMCA: 1 [1 - **1**] - Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 2 [2 - **2** - **3**].

Total Specimens for 24 November 1962: 3

26 November 1962

Congo (Democratic Republic of the): Kamituga: Prigogine, Alexandre: RMCA: 1 [1 - **1**] - Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **2**].

Total Specimens for 26 November 1962: 2

27 November 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 27 November 1962: 1

1 December 1962

Congo (Democratic Republic of the): Baya carrière: Verheyen, Walter N.: RMCA: 5 [5 - **5**] - Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **6**].
Gabon: Bélinga: ?: Collector Unknown: MNHN: 21 [21]; Mission Biologique au Gabon, La: ZMA: 2 [2 - **23**] - NE Gabon: ?: Collector Unknown: MNHN: 2 [2 - **2** - **25**].

Total Specimens for 1 December 1962: 31

3 December 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 3 December 1962: 1

5 December 1962

Egypt: Abu Rawash: Hoogstraal, Harry H.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 5 December 1962: 2

7 December 1962

Kenya: Tana River: Keith, S.: AMNH: 4 [4 - **4** - **4**].
Madagascar: Tisihombe: Lange, K.L.: USNM: 6 [6 - **6**] - Tsihombe: Lange, K.L.: USNM: 6 [6 - **6** - **12**].

Total Specimens for 7 December 1962: 16

8 December 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 8 December 1962: 1

9 December 1962

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 9 December 1962: 1

10 December 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].
Sudan: Kadugli: : SMF: 1 [1]; Kock, Dieter: SMF: 6 [6 - **7** - **7**].
Uganda: Kangole R.C.Mission: Ogilvie, Philip W.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 10 December 1962: 9

12 December 1962

Ethiopia: Jigiga Road bridge, 0.5 km E: Ingersol, R.H.: MVZ: 1 [1 - **1** - **1**].
Kenya: Makere: Keith, S.: AMNH: 3 [3 - **3** - **3**].

Total Specimens for 12 December 1962: 4

13 December 1962

Kenya: Makere: Keith, S.: AMNH: 4 [4 - **4** - **4**].
South Africa: Mkuzi Game Reserve: Baddeley, M. St. C.: ROM: 2 [2 - **2** - **2**].

Total Specimens for 13 December 1962: 6

15 December 1962

Sudan: Kadugli: ?: Collector Unknown: SMF: 3 [3 - **3** - **3**].

Total Specimens for 15 December 1962: 3

16 December 1962

Sudan: Kadugli: Kock, Dieter: SMF: 2 [2 - **2** - **2**].

Total Specimens for 16 December 1962: 2

17 December 1962

Kenya: Garsen, 6 mi E: Keith, S.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 17 December 1962: 1

19 December 1962

Kenya: Utwani Forest Reserve: Keith, S.: AMNH: 3 [3 - **3** - **3**].

Total Specimens for 19 December 1962: 3

22 December 1962

Madagascar: Betroka: Lange, K.L.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 22 December 1962: 1

24 December 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].
Kenya: Kakamega Forest: Williams, John George: LACM: 1 [1 - **1** - **1**].

Total Specimens for 24 December 1962: 2

26 December 1962

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 26 December 1962: 1

27 December 1962

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 27 December 1962: 1

28 December 1962

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].
Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 28 December 1962: 2

29 December 1962

Ethiopia: Errer valley: Ingersol, R.H.: OSU: 1 [1 - **1** - **1**].

Total Specimens for 29 December 1962: 1

31 December 1962

Ethiopia: Errer valley: Ingersol, R.H.: OSU: 3 [3 - **3** - **3**].

Total Specimens for 31 December 1962: 3

1 January 1963

Central African Republic: Unknown locality: Taufflieb, R.: MNHN: 1 [1 - **1** - **1**].
Congo (Democratic Republic of the): Luluabourg: Deheegher, Jan: RMCA: 3 [3 - **3** - **3**].
Côte d'Ivoire: Lamto: Vissault, Jacques: ZMA: 1 [1 - **1** - **1**].
Gabon: Bélinga: Dragesco, Jean: ZMA: 1 [1]; Mission Biologique au Gabon, La: ZMA: 7 [7 - **8** - **8**].
Kenya: Mombasa, cave near: Roberts, J.: USNM: 5 [5 - **5**] - Nairobi: Mumford, Russell E.: ROM: 1, USNM: 1 [2 - **2** - **7**].
Tanzania: Pemba island: ?: Collector Unknown: ROM: 4 [4 - **4**] - Zanzibar: ?: Collector Unknown: ROM: 1 [1 - **1** - **5**].

Total Specimens for 1 January 1963: 25

4 January 1963

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].
Sudan: Kadugli: : SMF: 3 [3]; Kock, Dieter: SMF: 2 [2 - **5** - **5**].

Total Specimens for 4 January 1963: 6

5 January 1963

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 2 [2 - **2** - **2**].
Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].
Sudan: Kadugli: ?: Collector Unknown: SMF: 1 [1 - **1** - **1**].

Total Specimens for 5 January 1963: 4

8 January 1963

Tanzania: Chimala: Heinrich, Gerd H.: YPM: 3 [3 - **3** - **3**].

Total Specimens for 8 January 1963: 3

9 January 1963

Sudan: Rheika: Kock, Dieter: SMF: 1 [1 - **1** - **1**].

Total Specimens for 9 January 1963: 1

10 January 1963

Sudan: Kadugli: ?: Collector Unknown: SMF: 1 [1 - **1**] - South Kordofan state: ?: Collector Unknown: SMF: 1 [1 - **1** - **2**].

Total Specimens for 10 January 1963: 2

11 January 1963

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 2 [2 - **2** - **2**].
Sudan: Kadugli: : SMF: 3 [3 - **3** - **3**].

Total Specimens for 11 January 1963: 5

12 January 1963

Sudan: Kadugli: ?: Collector Unknown: SMF: 5 [5 - **5** - **5**].
Tanzania: Chimala: Heinrich, Gerd H.: YPM: 1 [1 - **1** - **1**].

Total Specimens for 12 January 1963: 6

15 January 1963

Zambia: Chilanga: Wilson, Vivian J.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 15 January 1963: 1

17 January 1963

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].
Sudan: Kadugli: : SMF: 3 [3 - **3**] - South Kordofan state: : SMF: 1 [1 - **1** - **4**].

Total Specimens for 17 January 1963: 5

18 January 1963

Sudan: Kadugli: : SMF: 6 [6 - **6** - **6**].
Zambia: Fort Jameson: Wilson, Vivian J.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 18 January 1963: 7

21 January 1963

Egypt: Abu Simbel: Brongersma, Leo Daniel: RMNH: 1 [1 - **1** - **1**].
Sudan: Kadugli: ?: Collector Unknown: SMF: 2 [2 - **2** - **2**].

Total Specimens for 21 January 1963: 3

23 January 1963

Gabon: Bélinga: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 23 January 1963: 1

24 January 1963

Gabon: Bélinga: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 24 January 1963: 1

25 January 1963

Gabon: Bélinga: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 25 January 1963: 1

26 January 1963

Zambia: Fort Jameson: Ansell, William Frank Harding: NHMZ: 1 [1 - **1** - **1**].

Total Specimens for 26 January 1963: 1

27 January 1963

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 27 January 1963: 1

30 January 1963

Liberia: Harbel, Firestone Plantations: Weyer, D.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 30 January 1963: 1

1 February 1963

Gabon: Bélinga: Mission Biologique au Gabon, La: ZMA: 12 [12 - **12**] - Bélinga, near: Dragesco, Jean: ZMA: 3 [3 - **3** - **15**].
Sudan: El Obeid: ?: Collector Unknown: SMF: 10 [10 - **10** - **10**].

Total Specimens for 1 February 1963: 25

2 February 1963

Congo (Democratic Republic of the): Kiloboze: Prigogine, Alexandre: RMCA: 1 [1 - **1** - **1**].
Sudan: El Obeid: : SMF: 4 [4 - **4** - **4**].

5 November 1963

Congo (Democratic Republic of the): Luluabourg: De Roo, Antoon Emeric Marcel: RMCA: 1 [1 - **1** - **1**].
Egypt: Gebel el Ahmar: Hoogstraal, Harry H.: FMNH: 1 [1 - **1** - **1**].
Kenya: Unknown locality: ?: Collector Unknown: QM: 1 [1 - **1**] - NFD, Isiolo: Williams, J.: LACM: 1 [1 - **1** - **2**].

Total Specimens for 5 November 1963: 4

6 November 1963

Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 2 [2 - **2** - **2**].

Total Specimens for 6 November 1963: 2

7 November 1963

Congo: Brazzaville: ?: Collector Unknown: MNHN: 1 [1 - **1**] - Dimonika: Descarpentier, A.; Villiers, A.: MNHN: 1 [1 - **1** - **2**].
Congo (Democratic Republic of the): Lovanium university: De Bont; Van Orshoven, Jo: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 7 November 1963: 3

9 November 1963

Zimbabwe: Wessex Farm Ruwa: Smithers, Reay Henry Noble: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 9 November 1963: 1

10 November 1963

Congo: Brazzaville: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 10 November 1963: 1

12 November 1963

Congo: Brazzaville: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].
Zambia: Mfuwe Game Camp: Ansell, William Frank Harding: BMNH: 1 [1 - **1** - **1**].

Total Specimens for 12 November 1963: 2

14 November 1963

Kenya: Donyo Sabuk: Seed, Robin D.: WNMU: 1 [1 - **1**] - Ol Donyo Sapuk, mount: Western New Mexico University: FMNH: 1 [1 - **1** - **2**].

Total Specimens for 14 November 1963: 2

15 November 1963

Congo (Democratic Republic of the): Kamituga: Prigogine, Alexandre: RMCA: 1 [1 - **1** - **1**].
Kenya: Karen: Start, Anthony N.: BMNH: 1 [1 - **1** - **1**].

Total Specimens for 15 November 1963: 2

16 November 1963

Kenya: Karen: Start, Anthony N.: BMNH: 1 [1 - **1**] - Nairobi: ?: Collector Unknown: WAM: 1 [1 - **1** - **2**].
Tanzania: Banagi: Plisnier, J.: RBINS: 1 [1 - **1** - **1**].

Total Specimens for 16 November 1963: 3

17 November 1963

Congo: Sibiti: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].
Kenya: Karen: Start, Anthony N.: BMNH: 1 [1 - **1** - **1**].

Total Specimens for 17 November 1963: 2

18 November 1963

Zambia: Fort Jameson: Wilson, Vivian J.: AMNH: 1 [1 - **1** - **1**].
Zimbabwe: Mazoe: Smithers, Reay Henry Noble: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 18 November 1963: 2

19 November 1963

Congo: Sibiti: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 19 November 1963: 1

20 November 1963

Congo: Sibiti: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].
Kenya: Mathaiga: Seed, Robin D.: WNMU: 1 [1 - **1**] - Muthaiga: Western New Mexico University: FMNH: 1 [1 - **1**] - Ngomeni: Williams, A.E.; Williams, John George: ROM: 3 [3 - **3** - **5**].
Namibia: Namibia Desert Research Station [= DERU]: Cole, Ronald E.: USNM: 2 [2]; Risser, A.C.: USNM: 2 [2 - **4** - **4**].

Total Specimens for 20 November 1963: 10

21 November 1963

Congo: Sibiti: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Total Specimens for 21 November 1963: 1

22 November 1963

Congo: Sibiti: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].
Congo (Democratic Republic of the): Luluabourg: De Roo, Antoon Emeric Marcel: RMCA: 1 [1 - **1** - **1**].

Central African Republic: La Maboké: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].

Congo (Democratic Republic of the): Luluabourg: De Roo, Antoon Emeric Marcel: RMCA: 2 [2 - **2**] - Nganza rivier: De Roo, Antoon Emeric Marcel: RMCA: 1 [1 - **1** - **3**].
Kenya: Nairobi, 6 mi N: Hartman, D.S.: CUMV: 1 [1 - **1** - **1**].
Senegal: Linguere: Davis, R.M.: USNM: 2 [2 - **2** - **2**].
Tanzania: Mikindani: Andersen, Th.: SMF: 4 [4 - **4** - **4**].

Total Specimens for 27 May 1966: 11

29 May 1966

Botswana: Lobatsi: Liversedge, T.N.: USNM: 3 [3 - **3** - **3**].

Total Specimens for 29 May 1966: 3

30 May 1966

Botswana: Lobatsi: Liversedge, T.N.: USNM: 1 [1 - **1** - **1**].
Tanzania: Mikindani: Andersen, Th.: SMF: 1 [1 - **1** - **1**].

Total Specimens for 30 May 1966: 2

1 June 1966

Botswana: Lobatsi: Liversedge, T.N.: USNM: 1 [1 - **1** - **1**].
Mozambique: Mapinhane: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 1 June 1966: 2

2 June 1966

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Thys Van den Audenaerde, Dirk: RMCA: 1 [1 - **1** - **1**].
Ghana: Nungua: Lawler, R.S.: ROM: 2 [2 - **2** - **2**].
Tanzania: Mikindani: Andersen, Th.: SMF: 1 [1 - **1** - **1**].

Total Specimens for 2 June 1966: 4

3 June 1966

Cameroon: Bota: Jones, Theo Simpson: ROM: 2 [2 - **2**] - Tombel: Jones, Theo Simpson: ROM: 7 [7 - **7** - **9**].

Total Specimens for 3 June 1966: 9

5 June 1966

Botswana: Chobe NP, Kasane: Haylock, J.: ROM: 1 [1 - **1** - **1**].

Total Specimens for 5 June 1966: 1

6 June 1966

Ghana: Afloa, 105 km W: Lawler, R.S.: ROM: 1 [1 - **1**] - Afloa, 72 km W: Lawler, R.S.: ROM: 5 [5 - **5** - **6**].
Uganda: Katalemwa: Jolly, Clifford J.: ROM: 3 [3 - **3** - **3**].

Total Specimens for 6 June 1966: 9

7 June 1966

Rwanda: Ruhengeri: ?: Collector Unknown: RBINS: 2 [2 - **2** - **2**].
The Gambia: Toniataba: Davis, R.M.: USNM: 6 [6 - **6** - **6**].

Total Specimens for 7 June 1966: 8

8 June 1966

Cameroon: Bota: Jones, Theo Simpson: ROM: 2 [2 - **2** - **2**].
Rwanda: Musanze: Anciaux de Faveaux, Félix / Michel: RBINS: 2 [2 - **2** - **2**].
The Gambia: Toniataba: Davis, R.M.: USNM: 1 [1 - **1** - **1**].
Uganda: near Arua: Maclure, J.P.: ROM: 3 [3 - **3** - **3**].

Total Specimens for 8 June 1966: 8

9 June 1966

The Gambia: Toniataba: Davis, R.M.: USNM: 2 [2 - **2** - **2**].

Total Specimens for 9 June 1966: 2

10 June 1966

Congo (Democratic Republic of the): Topetope: Prigogine, Alexandre: RMCA: 1 [1 - **1** - **1**].
Nigeria: Shagunu: Herbert, H.J.: USNM: 66 [66 - **66** - **66**].
Rwanda: Musanse: ?: Collector Unknown: RBINS: 3 [3 - **3** - **3**].
The Gambia: Toniataba: Davis, R.M.: USNM: 19 [19 - **19** - **19**].
Uganda: Kampala: Jolly, Clifford J.: ROM: 4 [4 - **4** - **4**].

Total Specimens for 10 June 1966: 93

12 June 1966

Nigeria: Shagunu: Herbert, H.J.: USNM: 21 [21 - **21** - **21**].
The Gambia: Toniataba: Davis, R.M.: USNM: 1 [1 - **1** - **1**].
Uganda: Katalemwa: Jolly, Clifford J.: ROM: 2 [2 - **2** - **2**].

Total Specimens for 12 June 1966: 24

13 June 1966

The Gambia: Toniataba: Davis, R.M.: USNM: 10 [10 - **10** - **10**].

Total Specimens for 13 June 1966: 10

14 June 1966

The Gambia: Toniataba: Davis, R.M.: USNM: 27 [27 - **27** - **27**].

Total Specimens for 14 June 1966: 27

16 June 1966

Congo (Democratic Republic of the): Lwiro: Elbl, A.: USNM: 1 [1 - **1** - **1**].
Kenya: Trans-Nzoia district: Williams, A.E.: ROM: 1 [1 - **1** - **1**].

Total Specimens for 8 March 1972: 2

9 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Lucien: RMCA: 2 [2 - **2** - **2**].
Niger: Talantégou: ?: Collector Unknown: BRTC: 1 [1]; Pöche, R.M.: UCM: 1 [1 - **2** - **2**].

Total Specimens for 9 March 1972: 4

10 March 1972

Niger: Talantégou: Pöche, R.M.: USNM: 1 [1 - **1** - **1**].
Tanzania: Usa River: Eory, M.: HNHM: 1 [1 - **1** - **1**].

Total Specimens for 10 March 1972: 2

11 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Lucien: RMCA: 1 [1]; Verheyen, Walter N.; Yapi: RMCA: 8 [8 - **9** - **9**].

Total Specimens for 11 March 1972: 9

13 March 1972

Congo: Dimonika: Faculte des Sciences - Univ. de Brazzaville (Dept. "Biologie Animale"),: ZMA: 1 [1 - **1** - **1**].
Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Yao: RMCA: 1 [1 - **1** - **1**].
Niger: Tapoa: Pöche, R.M.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 13 March 1972: 3

15 March 1972

Niger: Talantégou: Pöche, R.M.: UCM: 1, USNM: 1 [2 - **2**] - Tapoa: ?: Collector Unknown: BRTC: 1 [1]; Pöche, R.M.: USNM: 1 [1 - **2** - **4**].

Total Specimens for 15 March 1972: 4

16 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Michel: RMCA: 7 [7 - **7** - **7**].

Total Specimens for 16 March 1972: 7

17 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Michel: RMCA: 2 [2 - **2** - **2**].
Zimbabwe: Zimbabwe National Park: Wright, Peter J.: ROM: 1 [1 - **1** - **1**].

Total Specimens for 17 March 1972: 3

18 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; Michel: RMCA: 2 [2 - **2** - **2**].

Total Specimens for 18 March 1972: 2

20 March 1972

Niger: Tapoa: ?: Collector Unknown: BRTC: 1 [1]; Pöche, R.M.: UCM: 1 [1 - **2** - **2**].
Zimbabwe: Wankie-NP: Herbert, H.J.: NHMZ: 1 [1 - **1** - **1**].

Total Specimens for 20 March 1972: 3

21 March 1972

Tanzania: Kisarawe, near: Howell, Kim M.: USNM: 1 [1 - **1** - **1**].
Tunisia: Gabès governorate: ?: Collector Unknown: SMF: 208 [208 - **208** - **208**].

Total Specimens for 21 March 1972: 209

23 March 1972

Côte d'Ivoire: Adiopodoumé: Verheyen, Walter N.; André: RMCA: 2 [2 - **2** - **2**].
Niger: Talantégou: Pöche, R.M.: USNM: 1 [1 - **1**] - Tapoa: Pöche, R.M.: UCM: 1, USNM: 3 [4 - **4** - **5**].

Total Specimens for 23 March 1972: 7

24 March 1972

Niger: Tapoa: Pöche, R.M.: USNM: 1 [1 - **1** - **1**].
Zambia: Lochinvar: Dowsett, Robert Jack: NMZL: 1 [1 - **1** - **1**].

Total Specimens for 24 March 1972: 2

26 March 1972

Ethiopia: Koka: Ash, John S.: USNM: 1 [1 - **1** - **1**].
Swaziland: Tshaneni: Jones, Theo Simpson: ROM: 3 [3 - **3** - **3**].

Total Specimens for 26 March 1972: 4

28 March 1972

Ethiopia: Koka: Ash, John S.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 28 March 1972: 1

30 March 1972

Burundi: Bujumbura: Niort, P.L.: MHNG: 2 [2 - **2** - **2**].

Total Specimens for 30 March 1972: 2

1 April 1972

Senegal: Djoujdi Park: ?: Collector Unknown: MNHN: 1 [1 - **1** - **1**].
Tunisia: Nabeul governorate: ?: Collector Unknown: SMF: 36 [36 - **36** - **36**].

Total Specimens for 1 April 1972: 37

2 April 1972

Swaziland: Tshaneni: Jones, Theo Simpson: ROM: 1 [1 - **1** - **1**].

Total Specimens for 2 April 1972: 1

3 April 1972

Tanzania: Kisarawe, near: ?: Collector Unknown: TM: 1 [1 - **1** - **1**].

Total Specimens for 3 April 1972: 1

4 April 1972

Ethiopia: Gambela: Ash, John S.: CM: 1 [1 - **1** - **1**].
Tunisia: Unknown locality: ?: Collector Unknown: SMF: 1 [1 - **1** - **1**].

Total Specimens for 4 April 1972: 2

6 April 1972

Cameroon: Ngaoundéré, 14 km N: Robbins, Lynn W.: AMNH: 1 [1 - **1**] - Ngaoundéré, 14 km S: Robbins, Lynn W.: AMNH: 2 [2 - **2** - **3**].
Swaziland: Tshaneni: Jones, Theo Simpson: ROM: 21 [21 - **21** - **21**].

Total Specimens for 6 April 1972: 24

7 April 1972

Cameroon: Ngaoundéré, 14 km S: Robbins, Lynn W.: AMNH: 2 [2 - **2** - **2**].
Ethiopia: Koka: Ash, John S.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 7 April 1972: 3

8 April 1972

Mozambique: Rio das Pedras: Jones, Theo Simpson: ROM: 5 [5 - **5** - **5**].

Total Specimens for 8 April 1972: 5

9 April 1972

Cameroon: Ngaoundéré, 14 km S: Gruwell, J.A.: TTU: 2 [2 - **2** - **2**].

Total Specimens for 9 April 1972: 2

10 April 1972

Ethiopia: Mui: Largen, P.M.J.: BMNH: 1 [1 - **1** - **1**].

Total Specimens for 10 April 1972: 1

11 April 1972

Kenya: Mwingi: Kyongo, Robert N.: LACM: 1 [1 - **1** - **1**].

Total Specimens for 11 April 1972: 1

12 April 1972

Cameroon: Ngaoundéré, 14 km S: Robbins, Lynn W.: AMNH: 1 [1 - **1** - **1**].
Niger: Park West: Pöche, R.M.: MVZ: 2 [2 - **2** - **2**].

Total Specimens for 12 April 1972: 3

14 April 1972

South Africa: Ledzee Estates: ?: Collector Unknown: TM: 1 [1 - **1** - **1**].

Total Specimens for 14 April 1972: 1

17 April 1972

Cameroon: Bertoua, 30 km W: Robbins, Lynn W.: AMNH: 5 [5 - **5** - **5**].

Total Specimens for 17 April 1972: 5

18 April 1972

Côte d'Ivoire: Adiopodoumé: ?: Collector Unknown: ORSTOM: 1 [1]; Vissault, Jacques: ZMA: 1 [1 - **2** - **2**].

Total Specimens for 18 April 1972: 2

19 April 1972

Cameroon: Bertoua, 30 km W: Gruwell, J.A.: TTU: 1 [1]; Robbins, Lynn W.: AMNH: 2 [2 - **3** - **3**].
Côte d'Ivoire: Adiopodoumé: ?: Collector Unknown: ORSTOM: 7 [7]; Vissault, Jacques: ZMA: 2 [2 - **9** - **9**].

Total Specimens for 19 April 1972: 12

20 April 1972

Cameroon: Bertoua, 30 km W: Gruwell, J.A.: TTU: 12 [12]; Robbins, Lynn W.: AMNH: 15 [15]; Robwell, L.J.: TTU: 2 [2 - **29** - **29**].
Ethiopia: Bahadu: Ash, John S.: USNM: 1 [1 - **1** - **1**].
Zambia: Mongu: Ansell, William Frank Harding: HZM: 1 [1 - **1** - **1**].

Total Specimens for 20 April 1972: 31

21 April 1972

Zambia: Sumbu: Mulumbu, T.: NMZL: 1 [1 - **1** - **1**].

Total Specimens for 21 April 1972: 1

22 April 1972

Cameroon: Bertoua, 30 km W: Gruwell, J.A.: TTU: 2 [2]; Robbins, Lynn W.: AMNH: 5 [5 - **7** - **7**].
Ethiopia: Bahadu: Ash, John S.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 22 April 1972: 8

23 April 1972

Cameroon: Bertoua, 30 km W: Robbins, Lynn W.: AMNH: 3 [3]; Robwell, L.J.: TTU: 2 [2 - **5** - **5**].

Total Specimens for 23 April 1972: 5

24 April 1972

Ethiopia: Bahadu: Ash, John S.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 24 April 1972: 1

26 April 1972

Ethiopia: Bahadu: Ash, John S.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 26 April 1972: 1

Total Specimens for 8 October 1990: 2

9 October 1990

Madagascar: Ranopiso, 20 km WNW and Amboasary, 12 km ENE: Creighton, G. Kenneth; Raholimavo, E.: USNM: 2 [2 - **2** - **2**].

Total Specimens for 9 October 1990: 2

10 October 1990

Madagascar: Ambovombe: Creighton, G. Kenneth; Raholimavo, E.: USNM: 65 [65 - **65**] - Ankapoky: Creighton, G. Kenneth; Raholimavo, E.: USNM: 2 [2 - **2** - **67**].

Total Specimens for 10 October 1990: 67

11 October 1990

Madagascar: Ankapoky: Creighton, G. Kenneth; Raholimavo, E.: USNM: 3 [3 - **3**] - Bevilany: Creighton, G. Kenneth; Raholimavo, E.: USNM: 15 [15 - **15**] - near Itaranta River: Creighton, G. Kenneth; Raholimavo, E.: USNM: 3 [3 - **3**] - Ranopiso, 20 km WNW and Amboasary, 12 km ENE: Creighton, G. Kenneth; Raholimavo, E.: USNM: 5 [5 - **5** - **26**].
Zambia: Ikelenge Pedicle between the Sakeji and Zambezi rivers, approximately 11 km NNE of source of Zambezi river, Kavunda: Cotterill, F.P.D. [=Woody]: HZM: 1, NHMZ: 2 [3 - **3** - **3**].

Total Specimens for 11 October 1990: 29

12 October 1990

Burundi: Kigwena Hill: Criblez, Matthew: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 12 October 1990: 1

13 October 1990

Burundi: Kigwena Hill: Criblez, Matthew: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 13 October 1990: 2

15 October 1990

Congo (Democratic Republic of the): Irangi, slightly E of: Bergmans, Wim: ZMA: 6 [6 - **6**] - Kasiba: Bergmans, Wim: ZMA: 1 [1 - **1** - **7**].

Total Specimens for 15 October 1990: 7

16 October 1990

Congo (Democratic Republic of the): Irangi: Bergmans, Wim: ZMA: 2 [2 - **2**] - Irangi, 3 mi of: Bergmans, Wim: ZMA: 2 [2 - **2**] - Lwana: Kamitongo, Ngenge Masumbuko: ZMA: 1 [1 - **1** - **5**].

Total Specimens for 16 October 1990: 5

17 October 1990

Congo (Democratic Republic of the): Irangi: Bergmans, Wim: ZMA: 4 [4 - **4** - **4**].

Total Specimens for 17 October 1990: 4

18 October 1990

Congo (Democratic Republic of the): Irangi: Bergmans, Wim: ZMA: 1 [1 - **1**] - Luhoho: Bergmans, Wim: ZMA: 3 [3 - **3** - **4**].

Total Specimens for 18 October 1990: 4

19 October 1990

Congo (Democratic Republic of the): Irangi: Bergmans, Wim: ZMA: 1 [1 - **1** - **1**].
Madagascar: Manantantely: Creighton, G. Kenneth; Raholimavo, E.: USNM: 6 [6 - **6** - **6**].

Total Specimens for 19 October 1990: 7

22 October 1990

South Africa: Bobomeni research camp [=Bobomene]: ?: Collector Unknown: TM: 1 [1]; Rautenbach, Ignatius Lourens [=Naas]: TM: 4 [4 - **5** - **5**].

Total Specimens for 22 October 1990: 5

23 October 1990

South Africa: Fig Tree Camp: ?: Collector Unknown: TM: 1 [1 - **1**] - Old Fig Tree Forest: ?: Collector Unknown: TM: 2 [2 - **2**] - Old Figtree forest: Rautenbach, Ignatius Lourens [=Naas]: TM: 1 [1 - **1** - **4**].

Total Specimens for 23 October 1990: 4

24 October 1990

South Africa: Anthrax camp: Rautenbach, Ignatius Lourens [=Naas]: TM: 3 [3 - **3**] - Manxeba windmill: Rautenbach, Ignatius Lourens [=Naas]: TM: 1 [1 - **1**] - Mphahlele River: Copley, R.B.: TM: 1 [1 - **1** - **5**].

Total Specimens for 24 October 1990: 5

26 October 1990

Tanzania: Mlola Forest: Howell, Kim M.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 26 October 1990: 2

27 October 1990

Congo (Democratic Republic of the): Masako: Ifuta, Ndey B.: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 27 October 1990: 1

28 October 1990

Madagascar: Marovony Forest: Creighton, G. Kenneth; Raholimavo, E.: USNM: 2 [2 - **2** - **2**].
South Africa: Ararat, Sterkfontein Dam Nature Reserve: ?: Collector Unknown: NMB: 1 [1 - **1**] - Harrismith: ?: Collector Unknown: NMB: 9 [9 - **9** - **10**].

Total Specimens for 28 October 1990: 12

29 October 1990

Madagascar: Marovony Forest: Creighton, G. Kenneth; Raholimavo, E.: USNM: 1 [1 - **1** - **1**].

Total Specimens for 29 October 1990: 1

30 October 1990

Congo (Democratic Republic of the): Masako: Ifuta, Ndey B.: RMCA: 2 [2 - **2** - **2**].

Total Specimens for 30 October 1990: 2

5 November 1990

Madagascar: Forêt d'Analalava: Creighton, G. Kenneth: USNM: 2 [2 - **2** - **2**].

Total Specimens for 5 November 1990: 2

6 November 1990

Madagascar: Ampanibe: Creighton, G. Kenneth: USNM: 2 [2 - **2** - **2**].

Total Specimens for 6 November 1990: 2

7 November 1990

Madagascar: Manantenina: Creighton, G. Kenneth: USNM: 46 [46 - **46** - **46**].

Total Specimens for 7 November 1990: 46

11 November 1990

Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 11 November 1990: 1

14 November 1990

Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 14 November 1990: 1

15 November 1990

Tanzania: Songwe Valley, Tegemo farm: Sikombe, S.W.: SMF: 1 [1 - **1** - **1**].
Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 15 November 1990: 2

16 November 1990

Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: Stanley, William ("Bill") T.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 16 November 1990: 2

17 November 1990

Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 17 November 1990: 1

18 November 1990

South Africa: Point Caravan Park: ?: Collector Unknown: DNSM: 1 [1 - **1**] - Port Edward: ?: Collector Unknown: DNSM: 2 [2 - **2** - **3**].
Tanzania: Kilindoni Forest strip: Howell, Kim M.: SMF: 1 [1 - **1** - **1**].

Total Specimens for 18 November 1990: 4

22 November 1990

Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 22 November 1990: 1

24 November 1990

Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 24 November 1990: 1

25 November 1990

Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 25 November 1990: 2

26 November 1990

Tanzania: Kilindoni: Howell, Kim M.: SMF: 1 [1 - **1** - **1**].
Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 14 [14 - **14** - **14**].

Total Specimens for 26 November 1990: 15

27 November 1990

South Africa: Golden Gate: ?: Collector Unknown: NMB: 1 [1 - **1**] - Wonderhoek se kloof: ?: Collector Unknown: NMB: 7 [7 - **7** - **8**].
Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 6 [6 - **6** - **6**].

Total Specimens for 27 November 1990: 14

28 November 1990

South Africa: Harrismith: ?: Collector Unknown: NMB: 15 [15 - **15**] - Mount Pierre se Kloof: ?: Collector Unknown: NMB: 3 [3 - **3** - **18**].
Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 28 November 1990: 19

29 November 1990

Madagascar: Nahampoana: Creighton, G. Kenneth: USNM: 3 [3]; Creighton, G. Kenneth; Raholimavo, E.: USNM: 3 [3 - **6**] - Nahampoana Forest: Creighton, G. Kenneth: USNM: 15 [15 - **15** - **21**].
Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 3 [3 - **3** - **3**].

Total Specimens for 29 November 1990: 24

30 November 1990

Uganda: Mubuku - Mahoma River confluence, above: Stanley, William ("Bill") T.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 30 November 1990: 2

3 December 1990

Madagascar: Beraketa: Creighton, G. Kenneth: USNM: 1 [1 - **1**] - Bevaho: Creighton, G. Kenneth: USNM: 29 [29 - **29** - **30**].

Total Specimens for 3 December 1990: 30

4 December 1990

Uganda: Nyabitaba Hut: Stanley, William ("Bill") T.: FMNH: 3 [3 - **3** - **3**].

Total Specimens for 4 December 1990: 3

5 December 1990

Uganda: Nyabitaba Hut: Stanley, William ("Bill") T.: FMNH: 2 [2 - **2** - **2**].

Total Specimens for 5 December 1990: 2

7 December 1990

Uganda: Nyabitaba Hut: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 7 December 1990: 1

9 December 1990

Uganda: Nyabitaba Hut: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 9 December 1990: 1

11 December 1990

Uganda: Nyabitaba Hut: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 11 December 1990: 1

27 December 1990

Congo (Democratic Republic of the): Nyabiondo: Lubula Bulambo, J.P.; Kamitongo, Ngenge Masumbuko: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 27 December 1990: 1

28 December 1990

Congo (Democratic Republic of the): Nyabiondo: Lubula Bulambo, J.P.; Kamitongo, Ngenge Masumbuko: ZMA: 2 [2 - **2** - **2**].

Total Specimens for 28 December 1990: 2

29 December 1990

Congo (Democratic Republic of the): Nyabiondo: Lubula Bulambo, J.P.; Kamitongo, Ngenge Masumbuko: ZMA: 1 [1 - **1** - **1**].
Malawi: Chilinda Camp: Van Strien, Nico J.: ZMA: 1 [1 - **1** - **1**].

Total Specimens for 29 December 1990: 2

30 December 1990

Congo (Democratic Republic of the): Nyabiondo: Lubula Bulambo, J.P.; Kamitongo, Ngenge Masumbuko: ZMA: 3 [3 - **3** - **3**].
Malawi: Karonga beach: Van Strien, Nico J.: ZMA: 2 [2 - **2** - **2**].

Total Specimens for 30 December 1990: 5

1 January 1991

Congo (Democratic Republic of the): Nyabiondo: Lubula Bulambo, J.P.; Kamitongo, Ngenge Masumbuko: ZMA: 2 [2 - **2**] - Wafanya: Lootens, P.: RMCA: 7 [7 - **7** - **9**].
Kenya: Kamuuani: Ithia, Julius M.K.: ROM: 1 [1 - **1**] - Mbevo Hills: Ithia, Julius M.K.: ROM: 1 [1 - **1** - **2**].

Total Specimens for 18 March 1993: 2

19 March 1993

Congo (Democratic Republic of the): Ndjili: Tshinyenye: RMCA: 1 [1 - **1** - **1**].
South Africa: Percy Fyfe Nature Reserve: ?: Collector Unknown: TM: 1 [1]; West, Sean D.: TM: 1 [1 - **2** - **2**].

Total Specimens for 19 March 1993: 3

20 March 1993

South Africa: Percy Fyfe Nature Reserve: West, Sean D.: TM: 1 [1 - **1** - **1**].

Total Specimens for 20 March 1993: 1

21 March 1993

South Africa: S A Lombaard Nature reserve: Newbery, C.: TM: 1 [1 - **1** - **1**].

Total Specimens for 21 March 1993: 1

22 March 1993

Congo (Democratic Republic of the): Ndjili: Tshinyenye: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 22 March 1993: 1

27 March 1993

Namibia: Windhoek: Lootens, P.: RMCA: 2 [2 - **2** - **2**].

Total Specimens for 27 March 1993: 2

1 April 1993

Namibia: Goas: Lootens, P.: RMCA: 1 [1 - **1**] - Richthoven: Lootens, P.: RMCA: 2 [2 - **2** - **3**].
South Africa: Farm Rhenosterfontein: West, Sean D.: TM: 1 [1 - **1** - **1**].

Total Specimens for 1 April 1993: 4

4 April 1993

Congo (Democratic Republic of the): Ndjili: Tshinyenye: RMCA: 7 [7 - **7** - **7**].

Total Specimens for 4 April 1993: 7

5 April 1993

South Africa: Queen Elizabeth Park: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 5 April 1993: 1

13 April 1993

South Africa: Hillcrest: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 13 April 1993: 1

15 April 1993

Congo (Democratic Republic of the): Ndjili: Tshinyenye: RMCA: 1 [1 - **1** - **1**].
Madagascar: unspecified locality: Rasolozaka, I.N.; Goodman, Steven M.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 15 April 1993: 2

17 April 1993

Madagascar: unspecified locality: Goodman, Steven M.; Razolozaka, I.N.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 17 April 1993: 1

18 April 1993

Congo (Democratic Republic of the): Make: Tshinyenye: RMCA: 1 [1 - **1** - **1**].
Madagascar: Zombitsy forest: Goodman, Steven M.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 18 April 1993: 2

11 May 1993

South Africa: Mantuma Camp: Rushworth, I.: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 11 May 1993: 1

12 June 1993

Congo: Epéna: Schlitter, Duane Albert: CM: 8 [8 - **8** - **8**].

Total Specimens for 12 June 1993: 8

13 June 1993

Congo: Epéna: Schlitter, Duane Albert: CM: 11 [11 - **11**] - Voka: Schlitter, Duane Albert: CM: 1 [1 - **1** - **12**].

Total Specimens for 13 June 1993: 12

26 June 1993

Congo (Democratic Republic of the): Make: Tshinyenye: RMCA: 1 [1 - **1** - **1**].

Total Specimens for 26 June 1993: 1

28 June 1993

South Africa: Soekmekaar, Groenbult: ?: Collector Unknown: TM: 1 [1 - **1** - **1**].

Total Specimens for 28 June 1993: 1

11 July 1993

Kenya: Lake Jipe: McLellan, L.J.: USNM: 5 [5 - **5** - **5**].

Total Specimens for 11 July 1993: 5

12 July 1993

South Africa: Glenwood: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 12 July 1993: 1

17 July 1993

Tanzania: Kanza village, near: Goodman, Steven M.: FMNH: 10 [10 - **10**] - Lugulu Village, near: Goodman, Steven M.: FMNH: 3 [3 - **3** - **13**].

Total Specimens for 17 July 1993: 13

18 July 1993

South Africa: Barberton, Municipal Camping Site: Bronner, Gary Neil; *et al.*: TM: 1 [1 - **1**] - Chambaire Nursery: Bronner, Gary Neil; *et al.*: TM: 2 [2 - **2** - **3**].
Tanzania: Bombo, 7 km S: Goodman, Steven M.: FMNH: 3 [3]; Stanley, William ("Bill") T.: FMNH: 1 [1 - **4** - **4**].

Total Specimens for 18 July 1993: 7

19 July 1993

Tanzania: Bombo, 7 km S: Goodman, Steven M.: FMNH: 27 [27 - **27** - **27**].

Total Specimens for 19 July 1993: 27

20 July 1993

Tanzania: Bombo, 7 km S: Goodman, Steven M.: FMNH: 9 [9 - **9** - **9**].

Total Specimens for 20 July 1993: 9

21 July 1993

Tanzania: Bombo, 7 km S: Goodman, Steven M.: FMNH: 3 [3 - **3** - **3**].

Total Specimens for 21 July 1993: 3

22 July 1993

Tanzania: Bombo, 7 km S: Goodman, Steven M.: FMNH: 4 [4 - **4** - **4**].

Total Specimens for 22 July 1993: 4

23 July 1993

Congo (Democratic Republic of the): Make: Tshinyenye: RMCA: 1 [1 - **1** - **1**].
South Africa: Hluhluwe Game Reserve, Research camp: Bronner, Gary Neil: TM: 2 [2 - **2** - **2**].
Tanzania: Bombo, 7 km S: Stanley, William ("Bill") T.: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 27 June 2015: 12

28 June 2015

Congo (Democratic Republic of the): Kikwit: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 2 [2 - **2** - **2**].
South Africa: Eastern Cape province: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 28 June 2015: 3

29 June 2015

Congo (Democratic Republic of the): Kikwit: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 8 [8 - **8** - **8**].
South Africa: Eastern Cape province: ?: Collector Unknown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 29 June 2015: 9

1 July 2015

Mozambique: Cheringoma plateau: Guyton, Jennifer Anna: TM: 2 [2 - **2**] - Chitengo Camp: Guyton, Jennifer Anna: TM: 2 [2 - **2**] - Gorongosa National Park: Monadjem, Ara; Le Minter, Gildas; Lagadec, Erwan: DNSM: 12 [12 - **12** - **16**].

Total Specimens for 1 July 2015: 16

21 July 2015

Mozambique: Gorongosa National Park: Guyton, Jennifer Anna: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 21 July 2015: 1

22 July 2015

Mozambique: Bunga Inselberg: Guyton, Jennifer Anna: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 22 July 2015: 1

7 August 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 1 [1 - **1** - **1**].

Total Specimens for 7 August 2015: 1

8 August 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 6 [6 - **6** - **6**].

Total Specimens for 8 August 2015: 6

9 August 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 3 [3 - **3** - **3**].

Total Specimens for 9 August 2015: 3

10 August 2015

Congo (Democratic Republic of the): Université de Kisangani, Faculté des Sciences: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 1 [1 - **1** - **1**].

Total Specimens for 10 August 2015: 1

11 August 2015

Congo (Democratic Republic of the): Université de Kisangani, Faculté des Sciences: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 4 [4 - **4** - **4**].

Total Specimens for 11 August 2015: 4

25 August 2015

Congo (Democratic Republic of the): Epulu: Malekani, André: UNIKIS: 5 [5 - **5** - **5**].

Total Specimens for 25 August 2015: 5

26 August 2015

Congo (Democratic Republic of the): Aketi: Vlir/Aketi: UNIKIS: 1 [1 - **1**] - Epulu: Malekani, André: UNIKIS: 7 [7 - **7** - **8**].

Total Specimens for 26 August 2015: 8

27 August 2015

Congo (Democratic Republic of the): Epulu: Malekani, André: UNIKIS: 4 [4 - **4** - **4**].

Total Specimens for 27 August 2015: 4

29 August 2015

Congo (Democratic Republic of the): Epulu: Malekani, André: UNIKIS: 19 [19 - **19** - **19**].

Total Specimens for 29 August 2015: 19

30 August 2015

Congo (Democratic Republic of the): Epulu: Malekani, André: UNIKIS: 10 [10 - **10** - **10**].

Total Specimens for 30 August 2015: 10

31 August 2015

Congo (Democratic Republic of the): Epulu: Malekani, André: UNIKIS: 8 [8 - **8** - **8**].

Total Specimens for 31 August 2015: 8

20 October 2015

Congo (Democratic Republic of the): Rethy: Laudisoit, Anne; *et al.*: UNIKIS: 2 [2 - **2** - **2**].

Total Specimens for 20 October 2015: 2

22 October 2015

Congo (Democratic Republic of the): Rethy: Laudisoit, Anne; *et al.*: UNIKIS: 1 [1 - **1** - **1**].

Total Specimens for 22 October 2015: 1

23 October 2015

Congo (Democratic Republic of the): Rethy: Laudisoit, Anne; *et al.*: UNIKIS: 5 [5 - **5** - **5**].

Total Specimens for 23 October 2015: 5

5 November 2015

Mozambique: Gorongosa National Park: Guyton, Jennifer Anna: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 5 November 2015: 1

24 December 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 1 [1 - **1**] - Zookis: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 12 [12 - **12** - **13**].

Total Specimens for 24 December 2015: 13

25 December 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 4 [4 - **4** - **4**].

Total Specimens for 25 December 2015: 4

26 December 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 1 [1 - **1** - **1**].

Total Specimens for 26 December 2015: 1

28 December 2015

Congo (Democratic Republic of the): île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 2 [2 - **2** - **2**].

Total Specimens for 28 December 2015: 2

8 January 2016

Congo (Democratic Republic of the): Île Mafi: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 1 [1 - **1**] - île Mbiye: Musaba Akawa, Prescott; Bipoo, Moïse; Andabhati, Charle; Kirongozi, Benjamin; Karupao, Kambale: UNIKIS: 3 [3 - **3** - **4**].

Total Specimens for 8 January 2016: 4

7 April 2016

South Africa: Sandile's Rest Trout and Forest Country Estate: Richards, Leigh R.: DNSM: 1 [1 - **1** - **1**].

Total Specimens for 7 April 2016: 1

Grand total: 129845

Appendix 4c: Per Country and Locality

For this appendix, the data are sorted per country and locality, date and collector.

The underlined numbers indicate the number of specimens for the given date. The **bold numbers** represent the number of specimens for the collector and the **bold and underlined numbers** the totals for the specific locality.
