Total Specimens for Kemp, S.: 1

Kerbis Peterhans, Julian C.

5 January 1983: Kenya: Talek Gate, 4.3 km NW: FMNH: 6 [6 - **6** - **6**].
21 January 1983: Kenya: Talek Gate, 4.3 km NW: FMNH: 4 [4 - **4** - **4**].
22 January 1983: Kenya: Talek Gate, 4.3 km NW: FMNH: 7 [7 - **7** - **7**].
1 January 1988: Kenya: Unknown locality: FMNH: 1 [1 - **1** - **1**].
10 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 1 [1 - **1** - **1**].
14 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 2 [2 - **2** - **2**].
16 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 2 [2 - **2** - **2**].
19 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 2 [2 - **2** - **2**].
26 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 1 [1 - **1** - **1**].
28 March 1990: Burundi: Teza, 2.3 km N, 0.7 km W: FMNH: 1 [1 - **1** - **1**].
16 April 1990: Uganda: Kalangala, 1.0 km N, 0.5 km E: FMNH: 2 [2 - **2** - **2**].
17 April 1990: Uganda: Kalangala, 1.0 km N, 0.5 km E: FMNH: 3 [3 - **3** - **3**].
19 April 1990: Uganda: Kalangala: FMNH: 2 [2 - **2** - **2**].
20 April 1990: Uganda: Kalangala, 1.0 km N, 0.5 km E: FMNH: 1 [1 - **1** - **1**].
21 April 1990: Uganda: Kalangala: FMNH: 5 [5 - **5** - **5**].
23 April 1990: Uganda: Kalangala, 1.0 km N, 0.5 km E: FMNH: 5 [5 - **5** - **5**].
24 April 1990: Uganda: Kalangala, 1.0 km N, 0.5 km E: FMNH: 3 [3] - Kalangala, 1.0 km S: FMNH: 7 [7 - **10** - **10**].
13 April 1991: Uganda: Rwenzori Mts, Mubuku River, river bank, above confll Kyoha River: FMNH: 1 [1 - **1** - **1**].
19 April 1991: Uganda: Mubuk river, right bank: FMNH: 1 [1] - Nyabitaba Hut: FMNH: 2 [2 - **3** - **3**].
20 April 1991: Uganda: Nyabitaba Hut: FMNH: 1 [1 - **1** - **1**].
22 April 1991: Uganda: Nyabitaba Hut: FMNH: 1 [1 - **1** - **1**].
26 April 1991: Uganda: John Mate Camp: FMNH: 7 [7 - **7** - **7**].
27 April 1991: Uganda: John Mate Camp: FMNH: 13 [13 - **13** - **13**].
29 April 1991: Uganda: John Mate Camp: FMNH: 3 [3 - **3** - **3**].
27 June 1991: Congo (Democratic Republic of the): Epulu: FMNH: 1 [1] - Epulu, 2 km W: FMNH: 2 [2 - **3** - **3**].
28 June 1991: Congo (Democratic Republic of the): Epulu, 2 km W: FMNH: 1 [1 - **1** - **1**].
29 June 1991: Congo (Democratic Republic of the): Epulu, 2 km W: FMNH: 2 [2 - **2** - **2**].
2 July 1991: Congo (Democratic Republic of the): Epulu, 2 km W: FMNH: 7 [7 - **7** - **7**].
3 July 1991: Congo (Democratic Republic of the): Epulu, 2 km W: FMNH: 2 [2 - **2** - **2**].
4 July 1991: Congo (Democratic Republic of the): Epulu, 2 km W: FMNH: 2 [2 - **2** - **2**].
6 July 1991: Congo (Democratic Republic of the): Epulu: FMNH: 10 [10] - Epulu, 2 km W: FMNH: 1 [1 - **11** - **11**].
30 July 1991: Burundi: Giserama Colline: FMNH: 3 [3 - **3** - **3**].
31 July 1991: Burundi: Giserama Colline: FMNH: 3 [3 - **3** - **3**].
2 August 1991: Burundi: Giserama Colline: FMNH: 2 [2 - **2** - **2**].
3 August 1991: Burundi: Giserama Colline: FMNH: 1 [1 - **1** - **1**].
10 August 1991: Burundi: Giserama Colline: FMNH: 1 [1 - **1** - **1**].
11 August 1991: Burundi: Giserama Colline: FMNH: 1 [1 - **1** - **1**].
12 August 1991: Burundi: Giserama Colline: FMNH: 1 [1 - **1** - **1**].
23 August 1991: Burundi: Giserama Colline: FMNH: 1 [1 - **1** - **1**].
24 February 1997: Uganda: Bwindi-Impenetrable National Park: FMNH: 2 [2 - **2** - **2**].
25 February 1997: Uganda: Bwindi-Impenetrable National Park: FMNH: 9 [9 - **9** - **9**].
27 February 1997: Uganda: Omubiyanja Swamp: FMNH: 12 [12 - **12** - **12**].
1 March 1997: Uganda: Omubiyanja Swamp: FMNH: 3 [3 - **3** - **3**].
2 March 1997: Uganda: Omubiyanja Swamp: FMNH: 10 [10 - **10** - **10**].
10 March 1997: Uganda: Byumba: FMNH: 1 [1 - **1** - **1**].
11 March 1997: Uganda: Byumba: FMNH: 3 [3 - **3** - **3**].
12 March 1997: Uganda: Byumba: FMNH: 4 [4 - **4** - **4**].
13 March 1997: Uganda: Byumba: FMNH: 5 [5 - **5** - **5**].
15 March 1997: Uganda: Ngoto Swamp: FMNH: 6 [6 - **6** - **6**].
16 March 1997: Uganda: Ngoto Swamp: FMNH: 1 [1 - **1** - **1**].
17 March 1997: Uganda: Ngoto Swamp: FMNH: 2 [2 - **2** - **2**].
18 March 1997: Uganda: Ngoto Swamp: FMNH: 2 [2 - **2** - **2**].

10 April 1997: Uganda: Echuya Forest Reserve: FMNH: 3 [3 - **3** - **3**].
11 April 1997: Uganda: Echuya Forest Reserve: FMNH: 13 [13 - **13** - **13**].
12 April 1997: Uganda: Echuya Forest Reserve: FMNH: 8 [8 - **8** - **8**].
16 April 1997: Uganda: Echuya Forest Reserve: FMNH: 3 [3 - **3** - **3**].
17 April 1997: Uganda: Echuya Forest Reserve: FMNH: 7 [7 - **7** - **7**].
15 May 1997: Uganda: Nteko Parish: FMNH: 1 [1 - **1** - **1**].
16 May 1997: Uganda: Nteko Parish: FMNH: 2 [2 - **2** - **2**].
10 May 2003: Mozambique: Gurue, 2.9 km N, 8.9 km E: FMNH: 26 [26 - **26** - **26**].
11 May 2003: Mozambique: Gurue, 2.9 km N, 8.9 km E: FMNH: 2 [2 - **2** - **2**].
12 May 2003: Mozambique: Murabue: FMNH: 3 [3 - **3** - **3**].
24 June 2003: Mozambique: Vilanculos: FMNH: 10 [10 - **10** - **10**].
25 June 2003: Mozambique: Vilanculos: FMNH: 7 [7 - **7** - **7**].
9 July 2003: Mozambique: Murabue: FMNH: 1 [1] - Muresi Swamp, E of: FMNH: 2 [2 - **3** - **3**].
19 July 2003: Mozambique: Gurue, ca 8 km N, 8 km E: FMNH: 1 [1 - **1** - **1**].
25 July 2003: Mozambique: Gurue, 7.6 km N, 7.2 km E: FMNH: 1 [1 - **1** - **1**].
26 July 2003: Mozambique: Gurue, 7.6 km N, 7.2 km E: FMNH: 1 [1 - **1** - **1**].
30 July 2003: Mozambique: Gurue, 7.6 km N, 7.2 km E: FMNH: 1 [1 - **1** - **1**].
1 August 2003: Mozambique: Murabue: FMNH: 2 [2 - **2** - **2**].
2 August 2003: Mozambique: Gurue, 2.9 km N, 8.9 km E: FMNH: 2 [2 - **2** - **2**].
3 August 2003: Mozambique: Murabue: FMNH: 1 [1 - **1** - **1**].
4 August 2003: Mozambique: Murabue: FMNH: 1 [1 - **1** - **1**].
5 August 2003: Mozambique: Murabue: FMNH: 5 [5 - **5** - **5**].
6 August 2003: Mozambique: Murabue: FMNH: 4 [4 - **4** - **4**].
7 August 2003: Mozambique: Murabue: FMNH: 6 [6 - **6** - **6**].
8 August 2003: Mozambique: Gurue, 2.9 km N, 8.9 km E: FMNH: 32 [32] - Murabue: FMNH: 4 [4 - **36** - **36**].
9 August 2003: Mozambique: Murabue: FMNH: 2 [2 - **2** - **2**].

Total Specimens for Kerbis Peterhans, Julian C.: 336

Kerkvoorde

1 January 1933: Congo (Democratic Republic of the): Elisabethville: RMCA: 1 [1 - **1** - **1**].

Total Specimens for Kerkvoorde: 1

Keymer, I.F.

Collection Date Unknown: Zambia: Luangwa Valley: NHMZ: 1 [1 - **1** - **1**].

Total Specimens for Keymer, I.F.: 1

Khadhari, Dridi

30 April 1975: Tunisia: Djebel Zaghouan, 4 km W Poste Optique: TTU: 2 [2 - **2** - **2**].
11 May 1975: Tunisia: Nefza, 6 km W: TTU: 1 [1] - Ras Rajel Cemetery: TTU: 6 [6 - **7** - **7**].
27 May 1975: Tunisia: Redeyef, 4 km S: TTU: 6 [6 - **6** - **6**].

Total Specimens for Khadhari, Dridi: 15

Kiara, S.K.

5 September 1966: Kenya: Tsavo East-NP, Mudanda Rock Crevices: ROM: 1 [1] - Tsavo East-NP, Rhino Corner: ROM: 2 [2 - **3** - **3**].

Total Specimens for Kiara, S.K.: 3

Kibwana, V.

25 April 1958: Uganda: Kasenyi: MVZ: 1 [1 - **1** - **1**].

Total Specimens for Kibwana, V.: 1

Kibwana, V.; Longhurst, William M.

25 April 1958: Uganda: Kasenyi: MVZ: 1 [1 - **1** - **1**].
17 May 1958: Uganda: Nyanugasani River: MVZ: 1 [1 - **1** - **1**].
18 May 1958: Uganda: Nyanugasani River: MVZ: 1 [1 - **1** - **1**].

Total Specimens for Kibwana, V.; Longhurst, William M.: 3

Kiekebusch, S.

8 April 1915: Liberia: Cape Palmas, near: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Kiekebusch, S.: 1

Kiepenhauer; Linsenmair; U.S. Navy Medical Research Unit 3 (NaMRU 3), The

10 July 1963: Egypt: Sultan Hassan Mosque: SMF: 19 [19 - **19** - **19**].
1 August 1963: Egypt: Saqqara: SMF: 9 [9 - **9** - **9**].
18 August 1963: Egypt: Edfu: SMF: 29 [29 - **29** - **29**].
16 August 1965: Egypt: Bahig: SMF: 1 [1 - **1** - **1**].

Total Specimens for Kiepenhauer; Linsenmair; U.S. Navy Medical Research Unit 3 (NaMRU 3), The: 58

Killango, A.B.C.

30 October 1975: Uganda: Kisoro: SMF: 2 [2 - **2** - **2**].
31 October 1975: Uganda: Kisoro: SMF: 1 [1 - **1** - **1**].

Total Specimens for Killango, A.B.C.: 3

Kilpatrick, C. William

26 November 1999: Ghana: Adanka Village, near: USNM: 2 [2 - **2** - **2**].

Total Specimens for Kilpatrick, C. William: 2

Kimbembi-ma-Ibaka, A.

Collection Date Unknown: "Africa": Unknown locality: ZMA: 4 [4 - **4**].
Congo (Democratic Republic of the): Kavuaya: RMCA: 2 [2] - Lukatu cave: RMCA: 11 [11 - **13** - **17**].
1 January 2002: Congo (Democratic Republic of the): Cave C.8.1: ZMA: 1 [1] - Cave C.8.2: ZMA: 1 [1] - Mani cave or Nkela cave: RMCA: 3 [3] - Ntoto cave: RMCA: 1 [1 - **6** - **6**].

Total Specimens for Kimbembi-ma-Ibaka, A.: 23

Kingdon, Jonathan

Collection Date Unknown: Tanzania: Ruanda farm: HZM: 4 [4 - **4**].
Uganda: Budongo: BMNH: 10 [10 - **10** - **14**].
12 December 1970: Tanzania: Ruanda farm: HZM: 3 [3 - **3** - **3**].
13 December 1970: Tanzania: Ruanda farm: HZM: 1 [1 - **1** - **1**].
17 December 1970: Tanzania: Ruanda farm: HZM: 1 [1 - **1** - **1**].
12 March 1971: Uganda: Budo: BMNH: 1, HZM: 1 [2 - **2** - **2**].
19 June 1971: Uganda: Ruhizha area: HZM: 1 [1 - **1** - **1**].
8 February 1972: "Africa": Unknown locality: HZM: 1 [1 - **1** - **1**].

Total Specimens for Kingdon, Jonathan: 23

Kinunke

1 January 1911: Uganda: Buhivu: NMW: 1 [1 - **1** - **1**].

Total Specimens for Kinunke: 1

Kirk, John
(1832 - 1922)

Collection Date Unknown: Comoros: Grand Comoro Island: BMNH: 2 [2] - Moheli Island: BMNH: 1 [1 - **3**].
Mozambique: Shupanga: BMNH: 2 [2 - **2**].
Zambia: Shupanga: BMNH: 1 [1 - **1** - **6**].

Total Specimens for Kirk, John: 6

Kirkham; Williams, A.E.

4 March 1969: Kenya: Tiwi: ROM: 2 [2 - **2** - **2**].
17 May 1969: Kenya: Nairobi: ROM: 3 [3 - **3** - **3**].

Total Specimens for Kirkham; Williams, A.E.: 5

Kisakye, John Joseph

20 June 1998: Uganda: Nyabyeya Forestry College: MCZ: 1 [1 - **1** - **1**].

Total Specimens for Kisakye, John Joseph: 1

Kiss

Collection Date Unknown: Burundi: Bujumbura: RMCA: 145 [145 - **145** - **145**].
16 January 1962: Congo (Democratic Republic of the): Lwiro: RMCA: 4 [4 - **4** - **4**].
23 January 1962: Congo (Democratic Republic of the): Uvira: RMCA: 1 [1 - **1** - **1**].
3 February 1962: Congo (Democratic Republic of the): Uvira: RMCA: 1 [1 - **1** - **1**].
1 June 1969: Rwanda: Ihema, lake: RMCA: 3 [3 - **3** - **3**].

Total Specimens for Kiss: 154

Kistel

Collection Date Unknown: Egypt: Cairo, 20 km S: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Kistel: 1

Kithia, J. M.

12 May 1973: Kenya: Mida: LACM: 1 [1 - **1** - **1**].

Total Specimens for Kithia, J. M.: 1

Kitson, A.E.

Collection Date Unknown: Nigeria: Western province: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Kitson, A.E.: 1

Kittenberger, K.

Collection Date Unknown: Tanzania: Unknown locality: HNHM: 1 [1] - Arusha: HNHM: 9 [9] - Moshi Voi: HNHM: 1 [1 - **11** - **11**].
1 March 1903: Tanzania: Kibosho: HNHM: 3 [3 - **3** - **3**].
21 October 1903: Tanzania: Lake Jipe: HNHM: 1 [1 - **1** - **1**].
7 January 1904: Tanzania: Arusha: HNHM: 1 [1 - **1** - **1**].
20 March 1904: Tanzania: Arusha: HNHM: 1 [1 - **1** - **1**].
6 July 1908: Eritrea: Assab: HNHM: 3 [3] - Gibdo: HNHM: 1 [1 - **4** - **4**].

Total Specimens for Kittenberger, K.: 21

Kityo, Robert N.

18 May 1990: Uganda: Tende: FMNH: 5 [5 - **5** - **5**].
19 May 1990: Uganda: Tende: FMNH: 2 [2 - **2** - **2**].
20 May 1990: Uganda: Tende: FMNH: 8 [8 - **8** - **8**].
21 May 1990: Uganda: Tende: FMNH: 2 [2 - **2** - **2**].
22 May 1990: Uganda: Tende: FMNH: 1 [1 - **1** - **1**].
28 May 1990: Uganda: Bufumira Island: FMNH: 3 [3 - **3** - **3**].
29 May 1990: Uganda: Bufumira Island: FMNH: 2 [2 - **2** - **2**].
8 July 1990: Uganda: Bukakata: FMNH: 1 [1 - **1** - **1**].
20 July 1990: Uganda: Bukakata: FMNH: 1 [1 - **1** - **1**].
22 July 1990: Uganda: Bukakata: FMNH: 1 [1 - **1** - **1**].
23 July 1990: Uganda: Bukakata: FMNH: 3 [3 - **3** - **3**].
25 July 1990: Uganda: Bukakata: FMNH: 2 [2 - **2** - **2**].
26 July 1990: Uganda: Bukakata: FMNH: 1 [1 - **1** - **1**].
6 August 1990: Uganda: Ajumani: FMNH: 2 [2 - **2** - **2**].
9 August 1990: Uganda: Metu: FMNH: 2 [2 - **2** - **2**].
10 August 1990: Uganda: Metu: FMNH: 12 [12 - **12** - **12**].
11 August 1990: Uganda: Metu: FMNH: 1 [1 - **1** - **1**].
13 August 1990: Uganda: Dufile: FMNH: 9 [9 - **9** - **9**].
5 March 1997: Uganda: Byumba: FMNH: 1 [1 - **1** - **1**].
6 March 1997: Uganda: Byumba: FMNH: 7 [7 - **7** - **7**].
15 May 1997: Uganda: Nteko Parish: FMNH: 1 [1 - **1** - **1**].
16 May 1997: Uganda: Nteko Parish: FMNH: 2 [2 - **2** - **2**].
17 May 1997: Uganda: Nteko Parish: FMNH: 7 [7 - **7** - **7**].
18 May 1997: Uganda: Nteko Parish: FMNH: 7 [7 - **7** - **7**].
19 May 1997: Uganda: Nteko Parish: FMNH: 10 [10 - **10** - **10**].
20 May 1997: Uganda: Nteko Parish: FMNH: 4 [4 - **4** - **4**].
21 May 1997: Uganda: Nteko Parish: FMNH: 10 [10 - **10** - **10**].
22 May 1997: Uganda: Nteko Parish: FMNH: 9 [9 - **9** - **9**].
6 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 1 [1 - **1** - **1**].
7 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 1 [1 - **1** - **1**].
11 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 2 [2 - **2** - **2**].
12 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 3 [3 - **3** - **3**].
13 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 6 [6 - **6** - **6**].
14 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 1 [1 - **1** - **1**].

15 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 3 [3 - **3** - **3**].
16 June 1998: Uganda: Budongo Forest Royal mile: FMNH: 2 [2] - Nyabyeya Forestry College: FMNH: 8 [8 - **10** - **10**].
17 June 1998: Uganda: Budongo Forest Royal mile: FMNH: 5 [5 - **5** - **5**].
18 June 1998: Uganda: Budongo Forest Royal mile: FMNH: 1 [1] - Budongo Forest Royal mile Forest: FMNH: 4 [4 - **5** - **5**].
19 June 1998: Uganda: Budongo Forest Royal mile Forest: FMNH: 5 [5] - Nyabyeya Forestry College: FMNH: 2 [2 - **7** - **7**].
20 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 1 [1 - **1** - **1**].
23 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 4 [4 - **4** - **4**].
24 June 1998: Uganda: Nyabyeya Forestry College: FMNH: 1 [1 - **1** - **1**].

23 June 1998: Uganda: Nyabyeya Forestry College: MCZ: 1 [1 - **1** - **1**].
25 June 1998: Uganda: Budongo Forest: MCZ: 1 [1 - **1** - **1**].
3 July 1998: Uganda: Busingiro area: MCZ: 1 [1 - **1** - **1**].

Total Specimens for Kityo, Robert N.; Chupasko, Judith (Judy) Marie; ATBP Mammal Team: 6

Kizungu, R.

22 July 2007: Congo (Democratic Republic of the): Kahuzi, W slope of mount: FMNH: 1 [1 - **1** - **1**].

Total Specimens for Kizungu, R.: 1

Kjellesvig-Waering, Erik Norman
(9 February 1912: Havana - 16 July 1979: Marco Island)

13 December 1971: Mozambique: Matola: FMNH: 1 [1 - **1** - **1**].

Total Specimens for Kjellesvig-Waering, Erik Norman: 1

Klaptocs, A.

Collection Date Unknown: Guinea: Ouassou: NMW: 1 [1 - **1** - **1**].

Total Specimens for Klaptocs, A.: 1

Kleinschmidt, Otto; Floericke, Kurt

Collection Date Unknown: Morocco: Tanger: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Kleinschmidt, Otto; Floericke, Kurt: 1

Klemens, Michael W.; Moehlman, Patricia D.

22 February 1993: Tanzania: Ruaha National Park: AMNH: 1 [1 - **1** - **1**].

Total Specimens for Klemens, Michael W.; Moehlman, Patricia D.: 1

Kleyn, L.J.K.

18 April 1998: Benin: Porto-Novo: ZMA: 2 [2 - **2** - **2**].

Total Specimens for Kleyn, L.J.K.: 2

Kloppers, J.J.

14 November 1959: South Africa: Tshokwane: KNP: 1 [1 - **1** - **1**].

8 June 1962: South Africa: Xixengendzini road: KNP: 1 [1 - **1** - **1**].

Total Specimens for Kloppers, J.J.: 2

Kloppers, J.J.; Pienaar, Uys de Villiers

17 December 1959: South Africa: Tshokwane: KNP: 1 [1 - **1** - **1**].

Total Specimens for Kloppers, J.J.; Pienaar, Uys de Villiers: 1

Klunzinger

Collection Date Unknown: Egypt: Al Bahr Al Ahmar: ZMB: 2 [2 - **2** - **2**].

Total Specimens for Klunzinger: 2

Knipper

22 October 1952: Tanzania: Chimala: SMNS: 4 [4 - **4** - **4**].
4 June 1962: Tanzania: Chimala: LNK: 11 [11 - **11** - **11**].
23 July 1962: Tanzania: Iringa, near: LNK: 1 [1 - **1** - **1**].

Total Specimens for Knipper: 16

Knorr, Hans

Collection Date Unknown: Guinea: Tahiré: ZFMK: 1 [1 - **1** - **1**].
3 October 1956: Guinea: Tahiré: SMNS: 2 [2 - **2** - **2**].
5 October 1956: Guinea: Tahiré: ZFMK: 1 [1] - Tahire, big cave near: SMNS: 1 [1 - **2** - **2**].
11 October 1956: Guinea: Kindia: ZFMK: 1 [1] - Tahiré: SMNS: 1 [1 - **2** - **2**].
15 November 1956: Guinea: Salung Plateau, cave near Nyembaro: SMNS: 3, ZFMK: 4 [7 - **7** - **7**].
19 November 1956: Guinea: Kolenté, 10 km W: SMNS: 9 [9] - Salung Plateau, cave near Nyembaro: ZFMK: 1 [1 - **10** - **10**].
23 November 1956: Guinea: Kankuya Plateau, cave near Nyembaro: ZFMK: 1 [1] - Nyembaro: ZFMK: 1 [1 - **2** - **2**].
24 November 1956: Guinea: Kolente: ZFMK: 2 [2] - Nyembaro: SMF: 2, SMNS: 8 [10 - **12** - **12**].
27 November 1956: Guinea: Kolente: SMF: 1 [1] - Kolenté, 10 km W: SMNS: 1 [1 - **2** - **2**].

Total Specimens for Knorr, Hans: 40

Koch, K.L.

Collection Date Unknown: Madagascar: Unknown locality: FMNH: 1 [1 - **1** - **1**].
18 June 1953: Madagascar: Betroka: FMNH: 1 [1 - **1** - **1**].
15 July 1953: Madagascar: Antanandava: FMNH: 2 [2 - **2** - **2**].

Total Specimens for Koch, K.L.: 4

Koch-Weser, Sylvia

Collection Date Unknown: Burkina Faso: Soum province: SMF: 1 [1 - **1** - **1**].
28 January 1980: Burkina Faso: Unknown locality: SMF: 2 [2 - **2** - **2**].
23 June 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
24 June 1980: Burkina Faso: Unknown locality: SMF: 2 [2 - **2** - **2**].
28 June 1980: Burkina Faso: Unknown locality: SMF: 6 [6 - **6** - **6**].
5 July 1980: Burkina Faso: Unknown locality: SMF: 2 [2 - **2** - **2**].
6 July 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
9 July 1980: Burkina Faso: Unknown locality: SMF: 3 [3 - **3** - **3**].
12 July 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
14 July 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
16 July 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
19 July 1980: Burkina Faso: Unknown locality: SMF: 4 [4 - **4** - **4**].
2 August 1980: Burkina Faso: Kénédougou province: SMF: 2 [2 - **2** - **2**].
3 August 1980: Burkina Faso: Unknown locality: SMF: 2 [2] - Kénédougou province: SMF: 3 [3 - **5** - **5**].
7 August 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
14 August 1980: Burkina Faso: Tambao: SMF: 1 [1 - **1** - **1**].
16 August 1980: Burkina Faso: Unknown locality: SMF: 17 [17] - Tambao: SMF: 1 [1 - **18** - **18**].
22 August 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1**].
Niger: Saba: SMF: 1 [1 - **1** - **2**].
23 August 1980: Burkina Faso: Unknown locality: SMF: 1 [1 - **1** - **1**].
31 August 1980: Burkina Faso: Unknown locality: SMF: 3 [3 - **3** - **3**].
3 September 1980: Burkina Faso: Kadiogo province: SMF: 1 [1 - **1** - **1**].
6 September 1980: Burkina Faso: Kadiogo province: SMF: 1 [1 - **1** - **1**].

Loat, W.L.S.

Collection Date Unknown: South Sudan: Mangala [=Mongalla]: BMNH: 1 [1] - Mongalla: BMNH: 3 [3 - **4** - **4**].

Total Specimens for Loat, W.L.S.: 4

Lobao Tello, José L.P.

Collection Date Unknown: Mozambique: Nogochene caves: AMNH: 11 [11 - **11** - **11**].
3 May 1972: Mozambique: Zinave: ROM: 4 [4 - **4** - **4**].
4 May 1972: Mozambique: Covane: ROM: 6 [6] - Macovane: ROM: 2 [2 - **8** - **8**].

Total Specimens for Lobao Tello, José L.P.: 23

Local, by

20 August 1963: Kenya: Kilifi: ROM: 1 [1 - **1** - **1**].

Total Specimens for Local, by: 1

Loder or Lorder

Collection Date Unknown: Uganda: Nabumali: BMNH: 1 [1 - **1** - **1**].
11 January 1965: Uganda: Nabumali: BMNH: 1 [1 - **1** - **1**].
11 March 1965: Uganda: Mbale: BMNH: 1 [1 - **1** - **1**].
29 March 1965: Uganda: Mbale: BMNH: 1 [1] - Nabumali: BMNH: 1 [1 - **2** - **2**].
5 April 1965: Uganda: Mbale: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Loder or Lorder: 6

Logier, E.B.S.

1 January 1931: Côte d'Ivoire: Bouaké: MNHN: 1 [1 - **1** - **1**].

Total Specimens for Logier, E.B.S.: 1

Lohr, R.

11 April 1914: Egypt: Unknown locality: NMW: 1 [1 - **1** - **1**].

Total Specimens for Lohr, R.: 1

Long, Douglas J.

12 April 2001: São Tomé and Principé: Fundo de Igresa valley: CAS: 10 [10] - Ribeira Piexe: CAS: 2 [2 - **12** - **12**].
15 April 2001: São Tomé and Principé: Rio Contador valley, S side: CAS: 10 [10 - **10** - **10**].
20 April 2001: São Tomé and Principé: San Antonio: CAS: 33 [33 - **33** - **33**].
27 April 2001: São Tomé and Principé: Ponta Barra Bobo and Praia da Mutamba, coast road between: CAS: 11 [11] - Praia da Mutamba, 50 m inland coast road: CAS: 2 [2 - **13** - **13**].
29 April 2001: São Tomé and Principé: Fernandina Coco palm plantation: CAS: 4 [4 - **4** - **4**].

Total Specimens for Long, Douglas J.: 72

Long, H.

2 December 1932: South Africa: Punda Milia Camp: TM: 1 [1 - **1** - **1**].

Total Specimens for Long, H.: 1

Longhurst, William M.

11 January 1958: Uganda: Kasenyi: MVZ: 1 [1 - **1** - **1**].
19 January 1958: Uganda: Bukorwe Ridge: MVZ: 1 [1 - **1** - **1**].
21 January 1958: Uganda: Mweya: MVZ: 1 [1 - **1** - **1**].
24 January 1958: Uganda: Mweya: MVZ: 2 [2 - **2** - **2**].
1 February 1958: Uganda: Miveya: MVZ: 1 [1 - **1** - **1**].
22 February 1967: Uganda: Kampala: MVZ: 1 [1 - **1** - **1**].

Total Specimens for Longhurst, William M.: 7

Loomis, Henry

28 August 1959: Tanzania: Grumetti: AMNH: 3 [3] - Ikoma: AMNH: 1 [1 - **4** - **4**].

Total Specimens for Loomis, Henry: 4

Lootens, P.

Collection Date Unknown: Congo (Democratic Republic of the): Boende: RMCA: 8 [8] - Bokuma: RMCA: 19 [19] - Bumba: RMCA: 1 [1] - Ikela: RMCA: 15 [15] - Wafanya: RMCA: 35 [35 - **78**].

Total Specimens for Mayer, F.X.: 1

Mayné

Collection Date Unknown: Congo (Democratic Republic of the): Congo da Lemba: RMCA: 9 [9] - Eala: RMCA: 1 [1 - **10** - **10**].
1 January 1912: Congo (Democratic Republic of the): Congo da Lemba: RMCA: 1 [1 - **1** - **1**].
1 May 1913: Congo (Democratic Republic of the): Benza Masola: RMCA: 3 [3 - **3** - **3**].

Total Specimens for Mayné: 14

Mazières

1 January 1910: Madagascar: Diégo-Suarez, near: MCZ: 1 [1 - **1** - **1**].
1 January 1911: Madagascar: Maevatanana: MCZ: 2 [2 - **2** - **2**].
1 January 1913: Benin: Porto-Novo: MCZ: 7 [7 - **7** - **7**].

Total Specimens for Mazières: 10

MBizi expedition, The

20 April 1949: Congo (Democratic Republic of the): Banana creek: RBINS: 1 [1 - **1** - **1**].

Total Specimens for MBizi expedition, The: 1

McCaul, J.

23 October 1994: Uganda: Ishasha Road, 0.5 km S: FMNH: 1 [1 - **1** - **1**].

Total Specimens for McCaul, J.: 1

McCloy, A.

Collection Date Unknown: Liberia: Grand Bassa: BMNH: 1 [1 - **1** - **1**].

Total Specimens for McCloy, A.: 1

McCoe

Collection Date Unknown: Liberia: Mount Nimba: BMNH: 2 [2 - **2** - **2**].

Total Specimens for McCoe: 2

McDulling, M.

15 December 1988: South Africa: Skukuza: KNP: 1 [1 - **1** - **1**].

Total Specimens for McDulling, M.: 1

McInnery

1 September 1985: Tanzania: Amani: BMNH: 1 [1 - **1** - **1**].

Total Specimens for McInnery: 1

McIntyre, T.J.

Collection Date Unknown: Côte d'Ivoire: Bouna: USNM: 3 [3 - **3** - **3**].
15 May 1969: Côte d'Ivoire: Soubre: USNM: 2 [2 - **2** - **2**].
30 May 1969: Côte d'Ivoire: Banco Forest: USNM: 1 [1 - **1** - **1**].
12 June 1969: Côte d'Ivoire: Soubre, 10 mi WNW: USNM: 1 [1 - **1** - **1**].
5 July 1969: Côte d'Ivoire: Bouna: USNM: 4 [4 - **4** - **4**].
16 July 1969: Côte d'Ivoire: Fetekro: USNM: 3 [3 - **3** - **3**].
17 July 1969: Côte d'Ivoire: Fetekro: USNM: 2 [2 - **2** - **2**].
9 August 1969: Ghana: Adamso: USNM: 4 [4 - **4** - **4**].
17 August 1969: Ghana: Damongo: USNM: 6 [6 - **6** - **6**].

Total Specimens for McIntyre, T.J.: 26

McIntyre, T.J.; Robbins, Lynn W.

6 August 1969: Côte d'Ivoire: Guitri: USNM: 2 [2 - **2** - **2**].

Total Specimens for McIntyre, T.J.; Robbins, Lynn W.: 2

McLean, S.

Collection Date Unknown: South Africa: Dugundhlovu camp site: TM: 1 [1 - **1** - **1**].
20 July 1986: South Africa: St. Lucia Village: TM: 1 [1 - **1** - **1**].
1 April 1987: South Africa: St. Lucia Estuary: TM: 1 [1 - **1** - **1**].

Total Specimens for McLean, S.: 3

McLellan, L.J.

26 July 1991: Kenya: Tiwi Beach: USNM: 2 [2 - **2** - **2**].
28 July 1991: Kenya: Tiwi Beach: USNM: 2 [2 - **2** - **2**].
9 July 1992: Kenya: Tiwi Beach: USNM: 2 [2 - **2** - **2**].
11 July 1993: Kenya: Lake Jipe: USNM: 5 [5 - **5** - **5**].

Total Specimens for McLellan, L.J.: 11

McLeod, J.

Collection Date Unknown: Zambia: Mazabuka: BMNH: 7 [7 - **7** - **7**].
26 December 1966: Zambia: Mazabuka: BMNH: 1 [1 - **1** - **1**].

Total Specimens for McLeod, J.: 8

McWilliam, A.N.

10 July 1974: Ghana: Mole Game Reserve, River below headquarters: AMNH: 3 [3 - **3** - **3**].

Messedaglia, Giacomo Bartolomeo
(1846: Italy - 1893 or 1896: Italy)

Collection Date Unknown: Egypt: Korosko: MSNG: 1 [1 - **1** - **1**].

Total Specimens for Messedaglia, Giacomo Bartolomeo: 1

Metherell, A.D.

30 September 1980: South Africa: Broughton: AMNH: 1 [1 - **1** - **1**].

Total Specimens for Metherell, A.D.: 1

Methner

Collection Date Unknown: Tanzania: Nangoma cave?: ZMB: 2 [2 - **2** - **2**].

Total Specimens for Methner: 2

Meyer, Andre

15 December 1973: South Africa: Farm Klipfontein 407, Echo caves: TM: 5 [5 - **5** - **5**].

Total Specimens for Meyer, Andre: 5

Meyer, R.

1 January 1960: Nigeria: Ogoja County: AMNH: 1 [1 - **1** - **1**].

Total Specimens for Meyer, R.: 1

Miceli, F.

1 February 1885: Tunisia: Tunis: SMF: 2 [2 - **2** - **2**].

Total Specimens for Miceli, F.: 2

Micha, M.

26 November 1947: Congo (Democratic Republic of the): Gangala na Bodio: RBINS: 1 [1 - **1** - **1**].

Total Specimens for Micha, M.: 1

Michahelles, Karl
(1807 - 1834)

Collection Date Unknown: Egypt: Unknown locality: ZMB: 3 [3] - no specific locality: ZMB: 3 [3 - **6** - **6**].

Total Specimens for Michahelles, Karl: 6

Michielsen

2 May 1952: Congo (Democratic Republic of the): Iyonda: RMCA: 1 [1 - **1** - **1**].

Total Specimens for Michielsen: 1

Middleton

4 August 1963: Kenya: Kitale, 20 mi SW: USNM: 2 [2 - **2** - **2**].

Total Specimens for Middleton: 2

Milet-Horsin, M.

4 February 1921: Niger: Unknown locality: MNHN: 1 [1 - **1** - **1**].

Total Specimens for Milet-Horsin, M.: 1

Mill, T.A.

Collection Date Unknown: Zambia: Samfya: HNHM: 1 [1 - **1** - **1**].
16 November 1973: Zambia: Kilwa Island: NMZL: 1 [1 - **1** - **1**].

Total Specimens for Mill, T.A.: 2

Miller, Charles D.

Collection Date Unknown: Cameroon: Unknown locality: YPM: 20 [20] - Kumba: YPM: 4 [4 - **24** - **24**].
7 December 1972: Cameroon: Muyuka [= Muea]: YPM: 1 [1 - **1** - **1**].
14 January 1973: Cameroon: Kumba: YPM: 1 [1 - **1** - **1**].
27 May 1973: Cameroon: Banga Bakundu: YPM: 1 [1 - **1** - **1**].

Total Specimens for Miller, Charles D.: 27

Miller, N.C.E.

10 June 1947: Zimbabwe: Umtali Old Mine: BMNH: 1 [1 - **1** - **1**].
19 October 1948: Zimbabwe: Odzi district: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Miller, N.C.E.: 2

Millot, Jacques
(9 July 1897 - 23 January 1980)

1 January 1949: Madagascar: Maromandia, NW: FMNH: 3 [3 - **3** - **3**].

Total Specimens for Millot, Jacques: 3

Milton

18 September 1949: Malawi: Mwaya: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Milton: 1

Minter, D.M.

18 April 1963: Kenya: Lake Naivasha: USNM: 6 [6 - **6** - **6**].
24 May 1963: Kenya: Lake Naivasha: USNM: 2 [2] - Naivasha: ROM: 1 [1 - **3** - **3**].

Total Specimens for Minter, D.M.: 9

Mischlich

Collection Date Unknown: "Africa": Napa-ire: ZMB: 1 [1 - **1**].
Ghana: Kete Krachi: ZMB: 1 [1 - **1** - **2**].

20 December 1900: Ghana: Bimbila: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Mischlich: 3

Misonne, Xavier
(15 August 2007: Génèbrières)

1 January 1961: Congo (Democratic Republic of the): Léopoldville: RBINS: 1 [1 - **1** - **1**].
23 February 1966: Congo (Democratic Republic of the): Kakontwe: RMCA: 50 [50 - **50** - **50**].

Total Specimens for Osler, H.S.: 1

Osman Hill, W.C.; Tribe, A.R.

Collection Date Unknown: Somalia: Hargeisa: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Osman Hill, W.C.; Tribe, A.R.: 1

Othegraven

Collection Date Unknown: Congo: Oubangi: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Othegraven: 1

Otuba, J.E.

29 May 1965: Kenya: Tsavo East-NP, Rhino Corner: ROM: 1 [1 - **1** - **1**].

Total Specimens for Otuba, J.E.: 1

Owen, C.R.

31 July 1961: Malawi: Chikwawa: NMMB: 3 [3 - **3** - **3**].
18 October 1961: Malawi: Liwonde: NMMB: 1 [1 - **1** - **1**].

Total Specimens for Owen, C.R.: 4

Owen, G.F.

Collection Date Unknown: Senegal: Dialocote: BMNH: 2 [2 - **2** - **2**].
7 March 1910: Senegal: Dialocote: BMNH: 1 [1 - **1** - **1**].
9 March 1910: Senegal: Dialocote: BMNH: 1 [1 - **1** - **1**].
7 May 1910: Senegal: Dialocote: BMNH: 1 [1 - **1** - **1**].
8 February 1911: Senegal: Badi: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Owen, G.F.: 6

Owen, J.S.

Collection Date Unknown: South Sudan: Nagishot: FMNH: 1 [1] - Talanga forest: FMNH: 1 [1 - **2**].
Sudan: Barakat: FMNH: 1 [1] - Loki: FMNH: 5 [5 - **6** - **8**].
28 February 1949: South Sudan: Lafon: ZMUC: 2 [2 - **2** - **2**].
5 March 1949: South Sudan: Torit: ZMUC: 1 [1 - **1** - **1**].
18 March 1949: Sudan: Luem: ZMUC: 1 [1 - **1** - **1**].
30 July 1949: South Sudan: Torit: ZMUC: 1 [1 - **1** - **1**].
12 December 1949: South Sudan: Torit: ZMUC: 1 [1 - **1** - **1**].
20 December 1949: South Sudan: Lafon: ZMUC: 2 [2 - **2** - **2**].
1 January 1950: South Sudan: Torit: FMNH: 1 [1 - **1** - **1**].
2 January 1950: South Sudan: Torit: FMNH: 1 [1 - **1** - **1**].
5 January 1950: South Sudan: Torit: ZMUC: 4 [4 - **4** - **4**].
12 January 1950: South Sudan: Lobira: ZMUC: 3 [3 - **3** - **3**].

14 January 1950: South Sudan: Issore: FMNH: 1 [1 - **1** - **1**].
15 January 1950: South Sudan: Issore: FMNH: 1 [1 - **1** - **1**].
23 January 1950: South Sudan: Ikoto: FMNH: 1 [1 - **1** - **1**].

14 June 1895: Malawi: Shire river, upper: SMTD: 1 [1 - **1** - **1**].
28 June 1895: Malawi: Upper Shire River: FMNH: 1 [1 - **1** - **1**].
5 September 1895: Malawi: Shire river, upper: BMNH: 1 [1 - **1** - **1**].

Total Specimens for Rendall, Percy: 13

Retzlaff, M.

17 June 1910: Cameroon: Bibundi: ZMH: 1 [1 - **1** - **1**].
16 July 1911: Cameroon: Bibundi: ZMH: 2 [2 - **2** - **2**].
2 December 1914: Cameroon: Isongo: ZMH: 1 [1 - **1** - **1**].

Total Specimens for Retzlaff, M.: 4

Revoil

Collection Date Unknown: Djibouti: Djibouti: MCZ: 1 [1 - **1**].
Somalia: Somalia: MNHN: 4 [4 - **4** - **5**].

Total Specimens for Revoil: 5

Rex, J.H.

Collection Date Unknown: South Africa: Knysna: TM: 5 [5 - **5** - **5**].
1 February 1909: South Africa: Knysna: TM: 1 [1 - **1** - **1**].

Total Specimens for Rex, J.H.: 6

Rhode

1 January 1905: Cameroon: Murkoryé: MHNG: 1 [1 - **1** - **1**].

Total Specimens for Rhode: 1

Richard

Collection Date Unknown: Congo (Democratic Republic of the): Bas Congo: RMCA: 1 [1] - Elisabethville: RMCA: 1 [1 - **2** - **2**].
1 March 1934: Congo (Democratic Republic of the): Dilolo station: RMCA: 1 [1 - **1** - **1**].
1 August 1934: Congo (Democratic Republic of the): Elisabethville: RMCA: 1 [1 - **1** - **1**].
1 January 1949: Congo (Democratic Republic of the): Léopoldville: RMCA: 1 [1 - **1** - **1**].

Total Specimens for Richard: 5

Richards, G.

19 August 1982: South Africa: Gillets: DNSM: 2 [2 - **2** - **2**].

Total Specimens for Richards, G.: 2

Richards, Jh.C.N.

Collection Date Unknown: Sierra Leone: Levuma: ZMA: 1 [1 - **1** - **1**].

Total Specimens for Richards, Jh.C.N.: 1

Richards, Leigh R.

1 April 2014: South Africa: Entumeni Nature Reserve: DNSM: 2 [2 - **2** - **2**].
7 April 2016: South Africa: Sandile's Rest Trout and Forest Country Estate: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Richards, Leigh R.: 3

Richardson, C.E.

9 September 1961: Malawi: Sunnyside: NMMB: 1 [1 - **1** - **1**].

Total Specimens for Richardson, C.E.: 1

Richardson, E.

13 March 1996: South Africa: Pinetown: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Richardson, E.: 1

Richardson, E.J.

19 July 1983: South Africa: University of Natal: DNSM: 1 [1 - **1** - **1**].
2 November 2010: South Africa: Ntsizwe mine: DNSM: 3 [3 - **3** - **3**].

Total Specimens for Richardson, E.J.: 4

Richardson, Jenness

23 December 1912: Kenya: Uasin Gishu District: AMNH: 2 [2 - **2** - **2**].

Total Specimens for Richardson, Jenness: 2

Richardson, P.

1 August 1977: Namibia: Namibia Desert Research Station [= DERU]: TM: 12 [12 - **12** - **12**].

Total Specimens for Richardson, P.: 12

Richardson; Kearney, Teresa Catherine

6 January 2000: South Africa: Pietermaritzburg: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Richardson; Kearney, Teresa Catherine: 1

Richardson; Mari

13 May 1996: South Africa: Westville: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Richardson; Mari: 1

Richers

Collection Date Unknown: Togo: Kadjamba: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Richers: 1

Rift Valley Expedition, The

Collection Date Unknown: Kenya: Unknown locality: BMNH: 1 [1 - **1**].
Sudan: Unknown locality: BMNH: 1 [1 - **1**].
Uganda: Unknown locality: BMNH: 2 [2] - Turkwell River: BMNH: 1 [1 - **3** - **5**].

Total Specimens for Rift Valley Expedition, The: 5

Rigaux, P.; Louette, Michel

27 February 1980: Liberia: Unknown locality: RMCA: 1 [1] - L.T.C.: RMCA: 1 [1 - **2** - **2**].

Total Specimens for Schlitter, Duane Albert; Williams, Stephen L.: 6

Schluter

1 January 1871: South Africa: Durban: SMNS: 1 [1 - **1** - **1**].
28 February 1907: Uganda: Entebbe: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Schluter: 2

Schlüter, A.

Collection Date Unknown: Gabon: Unknown locality: ZMB: 1 [1 - **1**].
South Africa: Port Natal [=Durban]: ZMB: 1 [1 - **1**].
Tanzania: Kinole: ZMB: 1 [1 - **1**].
Uganda: Entebbe: ZMB: 4 [4 - **4** - **7**].

Total Specimens for Schlüter, A.: 7

Schlüter, Wilhelm
(1828 - 25 April 1919)

Collection Date Unknown: Egypt: Unknown locality: USNM: 1 [1] - Sinai: USNM: 3 [3 - **4**].
Liberia: Unknown locality: USNM: 1 [1 - **1** - **5**].
1 January 1871: South Africa: KwaZulu-Natal province: SMNS: 1 [1 - **1** - **1**].
1 January 1894: Egypt: Unknown locality: ZFMK: 1 [1 - **1** - **1**].

Total Specimens for Schlüter, Wilhelm: 7

Schmidt

Collection Date Unknown: Togo: Atakpamé: ZMB: 1 [1 - **1** - **1**].

Total Specimens for Schmidt: 1

Schmidt, A.
(1860 - 1936)

Collection Date Unknown: The Gambia: Unknown locality: BMNH: 1 [1 - **1** - **1**].
22 February 1892: Gabon: Ogowe: ZMH: 1 [1 - **1** - **1**].

Total Specimens for Schmidt, A.: 2

Schmidt, Brian K.

1 June 2002: Gabon: Ossengue Camp site: USNM: 1 [1 - **1** - **1**].

Total Specimens for Schmidt, Brian K.: 1

Schmidt, D.F.

20 April 1984: Sierra Leone: Outamba-Kilimi-NP, HQ, W bank Kaba river: USNM: 3 [3 - **3** - **3**].
13 May 1984: Sierra Leone: Outamba-Kilimi-NP, HQ, W bank Kaba river: USNM: 1 [1 - **1** - **1**].

Total Specimens for Schmidt, D.F.: 4

Schmitt, Carl Gregory

21 March 1990: Liberia: Ziggida, 13 km N, 1 km E: AMNH: 5 [5 - **5** - **5**].
22 March 1990: Liberia: Ziggida, 13 km N, 1 km E: AMNH: 3 [3 - **3** - **3**].

Total Specimens for Schmitt, Carl Gregory: 8

Schmitt, Waldo LaSalle
(1887: Washington - 5 August 1977)

16 May 1955: Congo (Democratic Republic of the): Lwiro: USNM: 2 [2 - **2** - **2**].

Total Specimens for Schmitt, Waldo LaSalle: 2

Schmitt, Waldo LaSalle; Baker, E.

Collection Date Unknown: Congo (Democratic Republic of the): Uvira: USNM: 2 [2 - **2** - **2**].
4 May 1955: Congo (Democratic Republic of the): Mount Hoyo caves: USNM: 18 [18 - **18** - **18**].
6 May 1955: Congo (Democratic Republic of the): Lwiro: USNM: 1 [1 - **1** - **1**].
16 May 1955: Congo (Democratic Republic of the): Lwiro: USNM: 6 [6 - **6** - **6**].
25 May 1955: Congo (Democratic Republic of the): Uvira: USNM: 2 [2 - **2** - **2**].

Total Specimens for Schmitt, Waldo LaSalle; Baker, E.: 29

Schmutter, H.; Kock, Dieter

22 February 1970: Kenya: Unknown locality: SMF: 1 [1 - **1** - **1**].
15 February 1998: South Africa: Doornkraal Camp Site: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Schmutter, H.; Kock, Dieter: 2

Schneider

Collection Date Unknown: Ghana: Accra: ZMB: 3 [3 - **3**].
Guinea: Unknown locality: ZMB: 1 [1 - **1**].
Madagascar: Fort Dauphin: MZUF: 1 [1] - no specific locality: ZMB: 1 [1 - **2**].
Mauritius: Unknown locality: ZMB: 2 [2 - **2**].
Sudan: Upper White Nile: ZMB: 1 [1 - **1** - **9**].

Total Specimens for Schneider: 9

Schneider, G.

Collection Date Unknown: Mauritius: Unknown locality: RMNH: 2 [2 - **2** - **2**].
1 January 1945: Egypt: Unknown locality: MHNG: 2 [2 - **2** - **2**].

Total Specimens for Schneider, G.: 4

Schoeman, M. Corrie

13 October 1996: South Africa: Empisini Nature Reserve: DNSM: 1 [1 - **1** - **1**].
17 August 2003: South Africa: Johannesburg: TM: 1 [1 - **1** - **1**].

Total Specimens for Vernay-Lang Kalahari Expedition 1930, The: 34

Veronese, C.

Collection Date Unknown: Togo: Unknown locality: RMCA: 358 [358] - Atakpamé: RMCA: 38 [38] - Evou or Atakpamé: RMCA: 8 [8] - no specific locality: RMCA: 2 [2 - **406** - **406**].
11 March 1961: Togo: Atakpamé: RMCA: 16 [16 - **16** - **16**].
12 March 1961: Togo: Atakpamé: RMCA: 22 [22 - **22** - **22**].
13 March 1961: Togo: Atakpamé: RMCA: 24 [24 - **24** - **24**].
14 March 1961: Togo: Atakpamé: RMCA: 22 [22 - **22** - **22**].
15 March 1961: Togo: Atakpamé: RMCA: 26 [26 - **26** - **26**].
16 March 1961: Togo: Atakpamé: RMCA: 8 [8 - **8** - **8**].
14 August 1968: Togo: no specific locality: RMCA: 1 [1 - **1** - **1**].
7 September 1968: Togo: Atakpamé: RMCA: 8 [8 - **8** - **8**].
8 September 1968: Togo: Atakpamé: RMCA: 4 [4 - **4** - **4**].
9 September 1968: Togo: Atakpamé: RMCA: 10 [10 - **10** - **10**].
10 September 1968: Togo: Atakpamé: RMCA: 6 [6 - **6** - **6**].
11 September 1968: Togo: Atakpamé: RMCA: 2 [2 - **2** - **2**].
12 September 1968: Togo: Atakpamé: RMCA: 7 [7 - **7** - **7**].
13 September 1968: Togo: Atakpamé: RMCA: 3 [3 - **3** - **3**].
14 September 1968: Togo: Atakpamé: RMCA: 2 [2 - **2** - **2**].
15 September 1968: Togo: Tchonou: RMCA: 9 [9 - **9** - **9**].
16 September 1968: Togo: Tchonou: RMCA: 8 [8 - **8** - **8**].
17 September 1968: Togo: Atakpamé: RMCA: 5 [5] - Tchonou: RMCA: 11 [11 - **16** - **16**].
18 September 1968: Togo: Atakpamé: RMCA: 5 [5] - Tchonou: RMCA: 6 [6 - **11** - **11**].
19 September 1968: Togo: Atakpamé: RMCA: 3 [3] - Tchonou: RMCA: 6 [6 - **9** - **9**].
20 September 1968: Togo: Atakpamé: RMCA: 2 [2] - Tchonou: RMCA: 2 [2 - **4** - **4**].
22 September 1968: Togo: Adjido: RMCA: 28 [28 - **28** - **28**].
23 September 1968: Togo: Adjido: RMCA: 20 [20] - Atakpamé: RMCA: 3 [3 - **23** - **23**].
24 September 1968: Togo: Adjido: RMCA: 5 [5] - Atakpamé: RMCA: 5 [5 - **10** - **10**].
25 September 1968: Togo: Atakpamé: RMCA: 2 [2 - **2** - **2**].
28 September 1968: Togo: Atakpamé: RMCA: 4 [4] - Témédja: RMCA: 6 [6 - **10** - **10**].
29 September 1968: Togo: Kamina: RMCA: 14 [14] - Témédja: RMCA: 7 [7 - **21** - **21**].
30 September 1968: Togo: Kamina: RMCA: 7 [7] - Témédja: RMCA: 4 [4 - **11** - **11**].
1 October 1968: Togo: Atakpamé: RMCA: 3 [3] - Evou: RMCA: 14 [14] - Témédja: RMCA: 3 [3 - **20** - **20**].
2 October 1968: Togo: Atakpamé: RMCA: 1 [1] - Evou: RMCA: 9 [9] - Témédja: RMCA: 6 [6 - **16** - **16**].
3 October 1968: Togo: Evou: RMCA: 14 [14] - Témédja: RMCA: 2 [2 - **16** - **16**].
4 October 1968: Togo: Atakpamé: RMCA: 2 [2] - Evou: RMCA: 5 [5] - Témédja: RMCA: 8 [8 - **15** - **15**].
5 October 1968: Togo: Ebéva: RMCA: 14 [14 - **14** - **14**].
7 October 1968: Togo: Ebéva: RMCA: 2 [2 - **2** - **2**].
8 October 1968: Togo: Ebéva: RMCA: 1 [1 - **1** - **1**].
9 October 1968: Togo: Ebéva: RMCA: 3 [3 - **3** - **3**].
12 October 1968: Togo: Atakpamé: RMCA: 5 [5 - **5** - **5**].
13 October 1968: Togo: Lomnava: RMCA: 14 [14 - **14** - **14**].
15 October 1968: Togo: Atakpamé: RMCA: 22 [22 - **22** - **22**].
16 October 1968: Togo: Atakpamé: RMCA: 18 [18 - **18** - **18**].
17 October 1968: Togo: Kamina: RMCA: 7 [7 - **7** - **7**].
18 October 1968: Togo: Kamina: RMCA: 3 [3 - **3** - **3**].
19 October 1968: Togo: Kamina: RMCA: 8 [8 - **8** - **8**].
20 October 1968: Togo: Kamina: RMCA: 11 [11 - **11** - **11**].
24 October 1968: Togo: Atakpamé: RMCA: 4 [4 - **4** - **4**].
26 October 1968: Togo: Akposso: RMCA: 13 [13 - **13** - **13**].
27 October 1968: Togo: Akposso: RMCA: 12 [12 - **12** - **12**].
28 October 1968: Togo: Akposso: RMCA: 16 [16 - **16** - **16**].
29 October 1968: Togo: Akposso: RMCA: 33 [33 - **33** - **33**].
5 November 1968: Togo: Atakpamé: RMCA: 59 [59 - **59** - **59**].
11 November 1968: Togo: Atakpamé: RMCA: 2 [2] - Evou - Akodegbe: RMCA: 14 [14 - **16** - **16**].
12 November 1968: Togo: Atakpamé: RMCA: 8 [8 - **8** - **8**].
13 November 1968: Togo: Evou - Akodegbe: RMCA: 17 [17 - **17** - **17**].
14 November 1968: Togo: Evou - Akodegbe: RMCA: 10 [10 - **10** - **10**].
15 November 1968: Togo: Kodegbe: RMCA: 11 [11 - **11** - **11**].
16 November 1968: Togo: Evou - Akodegbe: RMCA: 1 [1] - Kodegbe: RMCA: 3 [3 - **4** - **4**].
17 November 1968: Togo: Adina: RMCA: 16 [16 - **16** - **16**].

18 November 1968: Togo: Adina: RMCA: 9 [9 - **9** - **9**].
19 November 1968: Togo: Adina: RMCA: 11 [11 - **11** - **11**].
20 November 1968: Togo: Adina: RMCA: 2 [2 - **2** - **2**].
21 November 1968: Togo: Adina: RMCA: 7 [7 - **7** - **7**].
22 November 1968: Togo: Adina: RMCA: 6 [6 - **6** - **6**].
23 November 1968: Togo: Adina: RMCA: 13 [13 - **13** - **13**].
24 November 1968: Togo: Adina: RMCA: 25 [25 - **25** - **25**].
25 November 1968: Togo: Adina: RMCA: 8 [8 - **8** - **8**].
26 November 1968: Togo: Adina: RMCA: 15 [15 - **15** - **15**].
27 November 1968: Togo: Adina: RMCA: 3 [3] - Ezimé: RMCA: 36 [36 - **39** - **39**].
28 November 1968: Togo: Ezimé: RMCA: 32 [32 - **32** - **32**].
29 November 1968: Togo: Ezimé: RMCA: 10 [10 - **10** - **10**].
30 November 1968: Togo: Ezimé: RMCA: 14 [14 - **14** - **14**].
1 December 1968: Togo: Koutoukpa: RMCA: 7 [7 - **7** - **7**].
2 December 1968: Togo: Koutoukpa: RMCA: 5 [5 - **5** - **5**].
3 December 1968: Togo: Koutoukpa: RMCA: 17 [17 - **17** - **17**].
4 December 1968: Togo: Unknown locality: RMCA: 1 [1] - Koutoukpa: RMCA: 11 [11 - **12** - **12**].
5 December 1968: Togo: Edifou: RMCA: 8 [8] - Koutoukpa: RMCA: 6 [6 - **14** - **14**].
6 December 1968: Togo: Edifou: RMCA: 25 [25] - Koutoukpa: RMCA: 8 [8 - **33** - **33**].
7 December 1968: Togo: Edifou: RMCA: 15 [15 - **15** - **15**].
8 December 1968: Togo: Edifou: RMCA: 18 [18 - **18** - **18**].
9 December 1968: Togo: Edifou: RMCA: 18 [18 - **18** - **18**].
10 December 1968: Togo: Edifou: RMCA: 14 [14 - **14** - **14**].
11 December 1968: Togo: Edifou: RMCA: 13 [13 - **13** - **13**].
12 December 1968: Togo: Edifou: RMCA: 22 [22 - **22** - **22**].
13 December 1968: Togo: Edifou: RMCA: 10 [10 - **10** - **10**].
14 December 1968: Togo: Edifou: RMCA: 15 [15 - **15** - **15**].
15 December 1968: Togo: Edifou: RMCA: 7 [7 - **7** - **7**].
16 December 1968: Togo: Edifou: RMCA: 8 [8 - **8** - **8**].
17 December 1968: Togo: Edifou: RMCA: 12 [12 - **12** - **12**].
18 December 1968: Togo: Edifou: RMCA: 11 [11 - **11** - **11**].
19 December 1968: Togo: Edifou: RMCA: 11 [11 - **11** - **11**].
20 December 1968: Togo: Adina: RMCA: 6 [6 - **6** - **6**].
21 December 1968: Togo: Adina: RMCA: 4 [4 - **4** - **4**].
22 December 1968: Togo: Adina: RMCA: 7 [7 - **7** - **7**].
23 December 1968: Togo: Adina: RMCA: 2 [2 - **2** - **2**].
4 January 1969: Togo: Atakpamé: RMCA: 24 [24 - **24** - **24**].
1 February 1969: Togo: Atakpamé: RMCA: 10 [10 - **10** - **10**].
4 February 1969: Togo: Odjolo: RMCA: 15 [15 - **15** - **15**].
5 February 1969: Togo: Mono-Atchinedji: RMCA: 1 [1] - Odjolo: RMCA: 16 [16 - **17** - **17**].
6 February 1969: Togo: Odjolo: RMCA: 14 [14 - **14** - **14**].
7 February 1969: Togo: Odjolo: RMCA: 29 [29 - **29** - **29**].
8 February 1969: Togo: Odjolo: RMCA: 27 [27 - **27** - **27**].
9 February 1969: Togo: Odjolo: RMCA: 42 [42 - **42** - **42**].
10 February 1969: Togo: Odjolo: RMCA: 19 [19 - **19** - **19**].

1 May 1977: Burundi: Bujumbura: RBINS: 2 [2 - **2**].
Senegal: Missirah Saloum: RBINS: 13 [13 - **13** - **15**].

Total Specimens for Verschuren, Jacques: 333

Vesey-FitzGerald, Leslie Desmond Edward Foster
(c 1910 - 1974)

Collection Date Unknown: Zambia: Mweru Wantipa: HZM: 1 [1 - **1** - **1**].
20 February 1950: Mozambique: Milepa: BMNH: 1 [1 - **1** - **1**].
5 January 1953: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
16 April 1954: Tanzania: Rukwa: HZM: 1 [1 - **1** - **1**].
24 April 1954: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
18 December 1957: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
29 January 1958: Zambia: Mbesuma: HZM: 1 [1 - **1** - **1**].
31 January 1958: Zambia: Mbesuma: HZM: 1 [1 - **1** - **1**].
25 April 1958: Tanzania: Kafukola: HZM: 1 [1 - **1** - **1**].
29 September 1958: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
14 November 1958: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
1 December 1958: Zambia: Abercorn: HZM: 1 [1 - **1** - **1**].
16 December 1960: Zambia: Mweru Wantipa: HZM: 1 [1 - **1** - **1**].
6 April 1964: Zambia: Abercorn: BMNH: 1 [1 - **1** - **1**].

11 October 1968: Tanzania: Arusha-NP, Mt. Meru, Ngongargare Forest: BMNH: 2 [2 - **2** - **2**].

Total Specimens for Vesey-FitzGerald, Leslie Desmond Edward Foster: 16

Veterinary Research Lab, The

Collection Date Unknown: South Africa: Onderstepoort: TM: 1 [1 - **1** - **1**].

Total Specimens for Veterinary Research Lab, The: 1

Véto, Dr.; Moutou, F.

23 March 1979: Réunion: Etang Salé: MNHN: 1 [1 - **1** - **1**].
1 August 1980: Réunion: Falaise de Saint Gilles: MNHN: 6 [6 - **6** - **6**].

Total Specimens for Véto, Dr.; Moutou, F.: 7

Vickers, H.

13 February 1996: South Africa: Mount Moreland: DNSM: 1 [1 - **1** - **1**].

Total Specimens for Vickers, H.: 1

Vickers, M.E.H.

27 May 1959: Kenya: Nyamindi: FMNH: 1 [1 - **1** - **1**].

Total Specimens for Vickers, M.E.H.: 1

Vielliard, Jacques Marie Edme
(1944 - 9 August 2010: Belém)

1 January 1970: Chad: Djiboulboul: MHNG: 3 [3 - **3** - **3**].
10 January 1970: Chad: Djiboulboul: MHNG: 2 [2 - **2** - **2**].
11 February 1970: Chad: Léré: MHNG: 2 [2 - **2** - **2**].
3 March 1970: Chad: Djiboulboul: MHNG: 3 [3 - **3** - **3**].
18 March 1970: Chad: Irtou: MHNG: 1 [1 - **1** - **1**].
25 March 1970: Chad: Maïlao [3 locs]: MHNG: 1 [1 - **1** - **1**].

1 January 1953: South Africa: Nelspruit: SMNS: 1 [1 - **1** - **1**].
25 April 1953: South Africa: Nelspruit: SMNS: 1 [1 - **1** - **1**].
29 December 1955: Botswana: Maun: SMNS: 1 [1 - **1** - **1**].
19 January 1956: Botswana: Dibete: SMNS: 1 [1 - **1** - **1**].
1 March 1956: Botswana: Kanye: BMNH: 1 [1 - **1** - **1**].
1 January 1958: Botswana: Kanye: ZFMK: 4 [4 - **4** - **4**].
15 April 1961: Namibia: Windhoek: ZFMK: 2 [2 - **2** - **2**].
9 March 1965: South Africa: Hluhluwe Game Reserve: ZFMK: 1 [1 - **1** - **1**].
5 April 1965: South Africa: Hluhluwe Game Reserve: ZFMK: 2 [2 - **2** - **2**].

Total Specimens for Zumpt, Frits Konrad Ernst: 27

Zway, P.

14 March 1979: South Africa: Shingomeni Out Post: KNP: 2 [2 - **2** - **2**].
15 July 1979: South Africa: Xirhombe Pan: KNP: 4 [4 - **4** - **4**].

Total Specimens for Zway, P.: 6

Zyskowski, Kristof

29 March 2003: Equatorial Guinea: Obamicu: YPM: 1 [1 - **1** - **1**].

Total Specimens for Zyskowski, Kristof: 1

Zyskowski, Kristof; Rice, Nathan H.

22 March 2003: Equatorial Guinea: Litoral province: YPM: 1 [1 - **1** - **1**].

Total Specimens for Zyskowski, Kristof; Rice, Nathan H.: 1

Grand total: 129845

Appendix 4b: Chronological

This appendix is sorted by collection date, country and locality and collector.

The underlined numbers indicate the number of specimens for the collector. The **bold numbers** represent the number of specimens for the locality and the **bold and underlined numbers** the totals for the specific country.

Total Specimens for 19 July 1909: 3

20 July 1909

Kenya: Lake Naivasha: Heller, Edmund: USNM: 3 [3]; Loring, John Alden: USNM: 1 [1 - **4**] - South Nguasso Nyiro river: Loring, John Alden: USNM: 2 [2 - **2** - **6**].

Total Specimens for 20 July 1909: 6

21 July 1909

Kenya: Lake Naivasha, E shore: Loring, John Alden: USNM: 1 [1 - **1** - **1**].

Total Specimens for 21 July 1909: 1

23 July 1909

Kenya: Guaso Nyiro: Allen, Glover Morrill: MCZ: 4 [4 - **4** - **4**].

Total Specimens for 23 July 1909: 4

24 July 1909

Kenya: Lake Naivasha: Heller, Edmund: USNM: 1 [1 - **1** - **1**].

Total Specimens for 24 July 1909: 1

1 August 1909

Kenya: Guaso Nyiro: Allen, Glover Morrill: MCZ: 2 [2 - **2**] - Meru: Allen, Glover Morrill: MCZ: 1 [1 - **1** - **3**].

Total Specimens for 1 August 1909: 3

2 August 1909

Kenya: Guaso Nyiro, above junction with Meru river: Allen, Glover Morrill: MCZ: 1 [1 - **1** - **1**].

Total Specimens for 2 August 1909: 1

5 August 1909

Kenya: Naivasha: Loring, John Alden: USNM: 3 [3 - **3**] - Naivasha Station: Loring, John Alden: USNM: 1 [1 - **1** - **4**].

Total Specimens for 5 August 1909: 4

6 August 1909

Kenya: Meru River: Allen, Glover Morrill: MCZ: 1 [1 - **1** - **1**].

Total Specimens for 6 August 1909: 1

7 August 1909

Kenya: Meru river: Allen, Glover Morrill: AMNH: 1, MCZ: 4 [5 - **5**] - Mweru River: Allen, Glover Morrill: MCZ: 2 [2 - **2**] - Naivasha Station: Loring, John Alden: USNM: 6 [6 - **6** - **13**].

Total Specimens for 7 August 1909: 13

8 August 1909

Congo (Democratic Republic of the): Stanleyville: Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 2 [2 - **2** - **2**].

Total Specimens for 8 August 1909: 2

9 August 1909

Kenya: Naivasha Station: Loring, John Alden: FMNH: 1 [1 - **1** - **1**].

Total Specimens for 9 August 1909: 1

10 August 1909

Kenya: Naivasha: Loring, John Alden: USNM: 1 [1 - **1**] - Naivasha Station: Loring, John Alden: USNM: 3 [3 - **3** - **4**].

Total Specimens for 10 August 1909: 4

11 August 1909

Cameroon: Bitye: Bates, George Latimer: RMCA: 1 [1 - **1** - **1**].
Kenya: Fort Hall [=Muranga]: Loring, John Alden: USNM: 1 [1 - **1**] - Meru River: Allen, Glover Morrill: MCZ: 1 [1 - **1**] - Mweru River: Allen, Glover Morrill: MCZ: 1 [1 - **1** - **3**].

Total Specimens for 11 August 1909: 4

17 August 1909

Kenya: Mweru River: Allen, Glover Morrill: MCZ: 5 [5 - **5** - **5**].

Tanzania: Meru River: Allen, Glover Morrill: MCZ: 5 [5 - **5** - **5**].

Total Specimens for 17 August 1909: 10

18 August 1909

Congo (Democratic Republic of the): Stanleyville: ?: Collector Unknown: MCZ: 1 [1]; Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 3 [3 - **4** - **4**].

Total Specimens for 18 August 1909: 4

19 August 1909

Kenya: Lake Naivasha: Loring, John Alden: USNM: 1 [1 - **1** - **1**].

Total Specimens for 19 August 1909: 1

25 August 1909

Congo (Democratic Republic of the): Stanleyville: Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 5 [5 - **5** - **5**].

Total Specimens for 25 August 1909: 5

27 August 1909

Kenya: Mount Kenya, W side: Heller, Edmund: USNM: 1 [1 - **1** - **1**].

Total Specimens for 27 August 1909: 1

31 August 1909

Kenya: Nairobi Station: Mearns, Edgar Alexander: USNM: 2 [2 - **2** - **2**].

Total Specimens for 31 August 1909: 2

3 September 1909

Kenya: Nairobi: Mearns, Edgar Alexander: USNM: 1 [1 - **1** - **1**].

Total Specimens for 3 September 1909: 1

5 September 1909

Congo (Democratic Republic of the): Stanleyville: Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 5 September 1909: 1

8 September 1909

Kenya: Thekla River: Clark, James ("Jamie") L.: AMNH: 1 [1 - **1** - **1**].

Total Specimens for 8 September 1909: 1

9 September 1909

Congo (Democratic Republic of the): Risimu zone: Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 1 [1 - **1**] - Stanleyville: Lang, Herbert; Chapin, James Paul; American Museum Congo Expedition, The: AMNH: 1 [1 - **1** - **2**].

Total Specimens for 9 September 1909: 2
